ON YOUR OWN

Thursday, September 12, 2019

0800

Coffee, tea & juice available

Grand Ballroom Foyer

08:30 - 09:10

Swiss Snow Plan and the Way to the Future.

Grand D

Speaker: Markus Kleist, Deputy Head of Air Force Equipment Planning, Swiss Air Force
Moderator: Jeff MacMillan, Director of Operations, Halifax International Airport Authority

Drone Management at Airports

Grand BC

Florian Schmidt, Chief Operating Officer, airsight GmbH
Moderator: Jeff Mattson, Minneapolis-St. Paul International Airport

Applications of Cellular Concrete to Solve Construction Problems at Airports

Grand A

Brad Dolton, Manager - Geotechnical Engineering, CEMATRIX (Canada) Inc.
Doug Lavis, Senior Market Development Representative, CEMATRIX (Canada) Inc.
Moderator: Myron Thiessen, Airfield Pavements and Standards Officer, Architecture and Engineering Services, Department of National Defence

09:15 - 10:00

Reducing the Impact of Weather Events at Toronto Pearson International Airport: From Forecast to Day of Delivery

Grand D

Ron Chapman, Technical Director, RWDI
John Ventresca, Associate Director Aviation Programs & Compliance, GTAA
Moderator: Kevin Lacey, Associate Director, Airfield Operations, Greater Toronto Airports Authority

Chemical Test Performance and Update on Carbon Brake Issues.

Grand BC

Marc Mario Tremblay, Fluid Testing Manager, UQAC Anti-icing Materials International Laboratory AMIL
Dietmar Walch, Director of Technical Services, Nachurs Alpine Solutions
Moderator: James Hall, Airport Operations Manager, Kelowna International Airport

Effective Treatment of Large Cracks in Airport Taxiways and Runways

Grand A

Mike Sucee, Crafc
Moderator: Myron Thiessen, Airfield Pavements and Standards Officer, Architecture and Engineering Services, Department of National Defence

10:00 - 10:30

Refreshment Break Sponsored by JA LARUE & RWDI

Grand Ballroom Foyer

10:30 - 11:10

Glycol Recycling Program / Environmental

Grand D

Jonathan Hunt, Director of Engineering, Inland Technologies
Moderator: James Hall, Airport Operations Manager, Kelowna International Airport

Panel : Airfield Pavement Repairs - How to Maintain your Operational Surfaces Effectively

Grand BC

Paul Atwal, Airfield Technical Inspector, Greater Toronto Airports Authority
Shirley Ddamba, Engineering Technician - Pavement, Vancouver Airport Authority
Gary Mitchell, Vice President -- Airports and Pavement Technology, American Concrete Pavement Association
Chris Olidis, Principal Engineer, Applied Research Associates

		Moderator: Myron Thiessen, Airfield Pavements and Standards Officer, Architecture and Engineering Services, Department of National Defence	
11:15 - 12:00	Industry Overview: Autonomous Vehicle Development at YWG Grand D Shawn Schaerer, CEO, Northstar Robotics Moderator: Roberto Furletti, Manager Airfield Services, Winnipeg Richardson International Airport (WRIA)	Airfield Pavement Repairs (cont'd) Grand BC Paul Atwal, Airfield Technical Inspector, Greater Toronto Airports Authority Shirley Ddamba, Engineering Technician - Pavement, Vancouver Airport Authority Gary Mitchell, Vice President -- Airports and Pavement Technology, American Concrete Pavement Association Chris Olidis, Principal Engineer, Applied Research Associates Moderator: Myron Thiessen, Airfield Pavements and Standards Officer, Architecture and Engineering Services, Department of National Defence	
12:00 - 13:30	<i>Lunch</i> ON YOUR OWN		
13:30 - 14:10		New Canadian Airport Winter Maintenance Regulations Grand BC James Lindsey, Director, Airports, Winnipeg Airport Services Corp.
