The Year in Review, The Year Ahead

Simon Roberts, Sales Engineer, etouches

Hear straight from etouches' Development the changes that the etouches' platform has undergone in the last year. The session will focus on major enhancements, product releases and updates that you need to know. The session will also review how to submit enhancement requests and product improvement ideas.

3:00 pm - 4:00 pm

Mobile, Interactive Session

Neil Keefe, VP, Product Development, etouches

Aside from social, everyone has mobile madness! Our session will explore what people are doing with mobile and what we think the future holds. etouches will talk about their mobile endeavors and elicit feedback from participants.

4:00 pm - 5:00 pm

Building Exceptional Event Websites

Julian Ward, Chief Client Officer, etouches

Are you doing everything you can to showcase your event in eHome? This session features tips and tricks to make the most of your event website and presents website design and information architecture principles to help you create exceptional websites.

5:00 pm - 7:00 pm

Networking / Mingle

Meet your peers and colleagues over a cocktail.

7:00 pm - 10:00 pm

Dinner

A sumptuous 3 course banquet with a southwestern theme.

29 June, 2015
