Hot Breakfast
Mt. Stephen Hall

Symposium Commencement

8:30 am - 8:45 am

Welcome

Alhambra

8:45 am - 9:30 am

Keynote Address - LNG in BC – Energizing the Energy Markets

Alhambra

David Keane, President, British Columbia LNG Alliance

9:30 am - 10:30 am

Training Session 1 - Gas Turbine Basics

Alhambra

Jim Noordermeer, Vice-President, Power & Thermal Generation, Gryphon International Engineering Services Inc.

10:30 am - 11:00 am

Refreshments

Alhambra Foyer

11:00 am - 11:30 am

15-IAGT-101 - SGT-700 DLE Combustion System Extending the Fuel Flexibility

Alhambra

Tobias Kiuru, FEED Manager, Siemens Industrial Turbomachinery AB

11:30 am - 12:30 pm

Luncheon

Mt. Stephen Hall

12:30 pm - 1:45 pm

Training Session 2 - Cogen and Combined Cycles

Alhambra

Jim Noordermeer, Vice-President, Power & Thermal Generation, Gryphon International Engineering Services Inc.

1:45 pm - 2:15 pm

15-IAGT-102 - Flexible Package Solutions For Siemens SGT-800

Alhambra

Tobias Kiuru, FEED Manager, Siemens Industrial Turbomachinery AB

2:15 pm - 2:30 pm

Refreshments

Alhambra Foyer

2:30 pm - 3:00 pm

15-IAGT-103 - Efficient Power Augmentation with Dry Air Injection

Alhambra

Steve Quisenberry, Vice-President, Power Phase

3:00 pm - 3:30 pm

15-IAGT-104 - Optimizing the Balance-of-Plant for a Cycling Combined Cycle OTSG Facility

Alhambra

Vito Raponi, Design & Proposal Engineering, Innovative Steam Technologies

3:30 pm - 4:00 pm

15-IAGT-105 - Gas Turbine Waste Heat Recovery Using a High-speed, Sealless, ORC Turbine Generator System

Alhambra

Francis A. Di Bella, Concepts NREC

4:00 pm - 4:15 pm

Closing Remarks

Alhambra

4:15 pm - 5:30 pm

Reception

Alhambra Foyer

Free Evening
