THE BUSINESS OF INNOVATION 2013
December 5, 2013 | Stanford University

12/05/2013

9:00 am - 9:30 am

Registration and Networking

9:30 am - 9:40 am

Introduction by Conference Chair

Richard Waters, West Coast Editor, *Financial Times*

9:40 am - 10:10 am

Opening Keynote Interview: Predicting the Future of US Business in a New Digital Age

Deborah Hopkins, Chairman of Venture Capital Initiatives and Chief Innovation Officer, *Citi*

Interviewed by: **Andrew Hill**, Management Editor, *Financial Times*

10:10 am - 11:00 am

Panel Discussion: Fostering Innovation in American Business

Which best practice strategies are needed to capture and enable innovation within the firm, and what are the inherent implementation challenges and opportunities? What are the main obstacles to innovation that must be overcome? What are the pros and cons of buying-in vs. creating innovation internally? How can business innovation be translated into corporate performance and economic benefits? And can innovation efforts be tracked and measured effectively?

Andy Donner, Investment Director, *Unilever Ventures*

Abhi Ingle, Vice President, Ecosystem and Innovation, *AT&T*

Sridaran Natesan, Vice President, External Innovation (R&D), *Sanofi*

Moderator: **Richard Waters**, West Coast Editor, *Financial Times*

11:00 am - 11:30 am

Networking Break

11:30 am - 12:00 pm

Keynote Interview: How innovative start-up ideas are shaping the world

How are start-ups redefining and enabling global innovation? How are small ideas impacting corporate innovations in America? How can investments in new technologies, innovative start-ups or individuals be translated into real gains?

Sean Gourley, Co-founder and CTO, *Quid*

Peter Graf, Chief Sustainability Officer and Executive Vice President, *SAP*

Interviewed by: Andrew Hill, Management Editor, *Financial Times*

12:00 pm - 12:50 pm

Panel Discussion: Financing Innovation

What has been the impact of recent IPO over-valuations and volatile M&A markets on innovation investing? What funding options exist for established corporations and small start-ups seeking to expand innovative projects and improve long-term liquidity positions? Which innovation value propositions and criteria do financiers actually look for when considering an investment opportunity? Which industry trends and innovations have garnered the most interest from investors and why?

Greg Brogger, President, *NASDAQ Private Market*

Rebecca Lynn, Managing Director, *Canvas Venture Fund*

Brad McManus, General Partner, *Capbridge Group*

Mario Kranjac, Partner, *Kranjac Tripodi & Partners LLP*

Mood Rowghani, Partner, *Kleiner Perkins Caufield & Byers (KPCB)*

Moderator: Richard Waters, West Coast Editor, *Financial Times*

12:50 pm - 2:00 pm

Lunch

2:00 pm - 2:50 pm

Panel Discussion: Talent and Innovation

What culture must US corporations build to support innovation and what skill sets are critical to achieving innovation results? Should talent be bought-in from leading start-ups? How can university collaborations help to reduce the shortage of innovative individuals? What processes and rewards enable long-term innovative behaviors?

Sunil Chandra, VP of Staffing and Operations, *Google*

George Foster, Konosuke Matsushita Professor of Management Graduate School of Business, *Stanford University*

Andrew Pearce, Director of Technical Strategies, *DreamWorks Animation*

Laura Sherbin, EVP and Director of Research, *The Center for Talent Innovation (CTI)*

Moderator: **Andrew Hill**, Management Editor, *Financial Times*

2:50 pm - 3:20 pm

Innovation Insight I: The Future of Manufacturing in America - How Digital has Transformed a Traditional Industry

Chris Anderson, CEO, *3D Robotics*
