

Be recognised  
for your  
environmental  
credentials  
with GECA  
certification.

Join our vision for  
a sustainable  
future for planet  
and people.

### Business benefits of GECA certification

- ✓ Give your business a green advantage
- ✓ Comply with Green Building schemes in Australia & globally
- ✓ Demonstrate your leadership in sustainability
- ✓ Increase the procurement channels of your products
- ✓ Show your products meet world-class standards
- ✓ We build recognition and actively promote your business
- ✓ Take advantage of the rapid growth of the green building industry

The Future Business  
Council found annual  
growth rates and demand  
across several sustainable  
products & services  
increased 100% or more.

GECA (Good Environmental Choice Australia) is a purpose driven, not for profit,  
providing solutions for sustainable consumption and production.

We're Australia's leading and most trusted certifier of environmentally preferable goods and services. The only transparent and independently audited green certification program and GEN (Global Ecolabelling Network) member in Australia. We can also assist you to achieve certification in other GEN member countries.
