DAL BRANDS

"BRINGING MOVEMENT TO YOUR WORKPLACE"

**Dal Brands are a national wholesale supplier of furniture for all applications, be that commercial offices, health and aged care, education, WFH or "resimercial". We have a simple philosophy, that movement whilst working is good for you, wherever possible.**

**This is evident in the best selling ErgoSelect range and enhanced more with the addition of several synchro mechanism task chairs. From the entry level Brindis all the way through to the latest Serati models. Guest and visitor chairs also feature with movement being an important factor in the success of the truly versatile Acti range and multi-purpose Lanza.**

**The new DalCare range of seating for waiting areas and patient use takes full advantage of the in-house upholstery capabilities of Dal Brands.**

**Our products are available through a dealer network covering the entire country, please ask us for details of the Dal dealer nearest you.**
