## Committed to Better Business

As an Australian owned company, we believe in reinvesting in Australia for Australians through our involvement in a range of community support and programs.

### SUSTAINABILITY

We are committed to reduce our environmental footprint and recognise that we have a responsibility to protect the environment. We drive sustainable outcomes through each of our activities. We continuously review and improve our systems ensuring that we continue to operate effectively and in a socially and environmentally responsible way.

Sustainable practices generate long term return on investment and embrace a sustainable consciousness that promotes employee wellbeing, minimises environmental impact and gives back to the wider community.

### PROCUREMENT

Source and use products and services that impact positively on the environment.

### COMPLIANCE

Ensure that we conduct all activities in compliance with all environmental laws and relevant standards.

### WELLBEING

Ensure that our services and products promote the wellbeing of employees, our clients' employees, patrons and the broader community.

# Stellar Cleaning Services

Stellar Cleaning is committed to leading the commercial cleaning industry and challenging traditional methods and practices, ensure our clients are more than satisfied with the cleaning results.

## General Cleaning

We offer our customers comprehensive packages for the ultimate convenience, providing a wide range of services for all your cleaning needs.

## Carpet Steam Cleaning

Carpet has the potential power of presence to make your premises look either stylish or outdated.

## Window Cleaning

Sparkling clean windows make your office view or retail goods on offer all the more attractive.

## Pressure Cleaning

Pressure Washing is a quick and cost-effective way to freshen up the exterior of your commercial property making it presentable and inviting.

## Hard Floor & Grout Cleaning

We use a variety of different cleaning techniques and professional specialist cleaning products depending upon the type of stone or tiled floor we are cleaning.

# Where do Stellar Clean?

We offer quality cleaning services and value for money in educational facilities, offices and high rise buildings, body and owners corp, government and council, sports facilities, pubs and clubs, child care cleaning, and accommodation facilities.
