

# HOLISTIC CERTIFICATION JOURNEY

Stay ahead in your industry with DNV's 7 differentiators and ONE value proposition

## What is a holistic certification journey?

As our prime partner, you are supported with the knowledge and tools to excel. In 2023, you will enjoy:

- FREE training courses as part of our MSC services
- Exclusive access to DNV's 7 differentiators
- ONE value proposition – a high performing management system

Customers today have lesser tolerance for quality issues. To hurdle quality challenges, companies have to:

- Establish an effective management system
- Build competent teams to maintain the standards
- Provide the right training and tools to nurture competent teams

## Why now in 2023?

## How will you benefit from us?

Our training offer is designed to provide actionable knowledge. We strive to ensure a seamless, stimulating and practical journey:

- Learn everywhere with DNV
- Benefit from trainers who are auditors with tangible insight from DNV audits
- Courses developed to share knowledge from your field in a creative and dynamic way

# TRAINING FORMAT

### eLearning

- Most flexible
- Start, pause or stop when needed, your work is saved online

### Public Training

- Virtual or Physical classroom style
- Enhanced discussions with a diverse group of learning peers

### In-house

- Highly customized
- Open discussion on topics specific to your company/industry needs

# 7 Differentiators and ONE Value Proposition

Our 7 Differentiators are developed to support your organization in every step of the certification journey. Whether it's before, during or after the audit, our tools are designed for organizations to achieve a high-performing management system.

## Before Audit

### 1. Self-assessment Suite

- Determine your readiness
- Monitor improvements over time

### 2. Boost my audit

- Focus your audit on areas that matter the most

## During Audit

### 3. Risk Based Certification & eAdvantage

- Complete overview of audit activities
- Track, manage and trace all audit findings and history.

## After Audit

### 4. Blockchain Certification & eCertMark

- Obtain instant confirmation that a certificate is valid and up to date

### 5. Lumina

- Benchmark performance internally and against competitor
- Prioritise improvements

### 6. ViewPoint Survey

- Insights on business trends
- Feedback on key topics from over 11,000 professionals globally

### 7. Continuous Training

- DNV's select team of trainers help you learn and grow as your business evolve
