

Food Solutions

**ENSURE THE QUALITY AND CONSUMER
SAFETY OF PRODUCTS AND SERVICES**

When it comes to the food we eat, safety of consumers is always the number one priority. Whether you're a manufacturer or retailer, we have the right solution for you. We help you efficiently and expertly achieve compliance with a wide range of standards and regulations, increasing your speed to market, and delivering to all regulatory and customer requirements.

AUDITS & CERTIFICATIONS

We assist you to ensure the safety, quality and sustainability of your food products. Wherever you are in the food value chain, we provide the food industry with audit and certification solutions against a variety of standards. We can also provide remote audit solutions when possible to help your business succeed.

TRAINING

As the global leader in professional training we provide innovative learning and development solutions, covering multiple areas and industries, tailored to meet your needs. Our courses are delivered in both face-to-face and eLearning environments, ensuring training objectives are achieved no matter where you are.

WHY SGS?

SGS is the world's leading inspection, verification, testing and certification company.

- Global benchmark for sustainability
