

Premier FMCG Agency

About us

Marketing Bee is an award-winning global agency with offices in Sydney and Melbourne, Australia offering cutting-edge digital marketing services to the food and beverage industries. With innovative and highly effective strategies, we are leading the way in digital innovation for food brands, distributors, and related industries. Our international team is multilingual, allowing us to work in numerous export markets namely Europe, Asia and Africa.

Food and beverage strategists and consultants with experience in all industry sectors. We can assist in scaling local and international products across multiple markets.

Under our Food Hive banner, the Marketing Bee team consists of award-winning, focused, and ambitious marketers ready to take on any challenge in the food industry.

Projects.
