COMFORTLY GROUP

ENTERPRISE INTRODUCTION

Comfortly Group Co. Ltd. is an internationally comprehensive enterprise that founded in 2003, specializing in western food and snacks production. In 2006, on the west coast of Qingdao, China, Comfortly Group invested and built a modern western food processing base of 50000 square meters. Successively, it introduced the production line of seafood from the New Zealand, the production line of appetizer and snacks from the United State, and the production line of sweet potato product from Netherlands. Currently, the annual processing capacity of Comfortly Group has achieved more than 20,000 tons. We export products all over the world.
