Always Be Your Power Solution

## Company Profile

Shenzhen Andgood Electronic Technology Co.,Ltd. (registered trademark: ANDGOOD) was established in 1999. ANDGOOD is a hi-tech enterprise that engages in R&D, manufacture and sales of security system power supply, metal products and LED luminaries. ANDGOOD power supplies have been exported to more than 80 countries all over the world and now has become a leading brand in security industry. In 2014, ANDGOOD invested 35 million RMB to build own industrial park (over 10,000 m2) equipped with highly automatic metal factory and production lines.

ANDGOOD has over 200 employees including 12 R&D engineers. The R&D department has more than 15 years OEM/ODM experience that can develop and customize various power supplies and metal products with any special requirement.

Innovation and quality are the key philosophies of our business. ANDGOOD constantly develops new product based on the market demands to seek the peak of security industry.

## Qualifications

CE - EMC

CE - LVD

CE - RoHS

TUV - EMC

TUV - LVD

SAA

SASO

ISO 9001

ISO 14001

## Why Choose Us

### Experience

20 Years Experience of Power Supply R&D and Manufacture

### Facilities

Over 10000m2 Highly Automatic Production Facilities

### Empolyees

Over 200 Employees Including 12 Engineers

### Quality

ISO 9001 and 14001 Quality Control System Certificated

### Lead Time

Adequate Stock Provides 3-5 Days Fast Lead Time

### OEM / ODM

More Than 15 Years OEM / ODM Experience

### Global Markets

Clients from More Than 80 Countries All Over the World

# General UPS Power Supply

ANDGOOD®  
Always Be Your Power Solution

- Fit for various security systems like CCTV surveillance, access control and video intercom
- Additional charge power for lead acid battery, no delay battery boot up
- Work with different optional modules to extend the usages
- Full protections - overload, over voltage, short circuit
- Multifunctional LED indicators

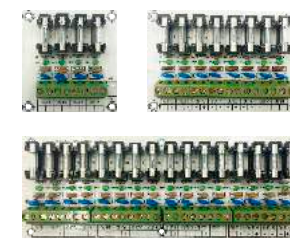

## Specification

Model	Output Voltage	Output Current	Dimension	Optional Module				
				RA	AC	4CH	8CH	16CH
SIHD1203-01B	13.8VDC	3A	205*165*75mm	●	●	●		
SIHD1205-01B		5A	265*195*75mm	●	●	●	●	
SIHD1210-01B		10A	295*195*90mm	●			●	●
SIHD1220-01B		20A	395*285*165mm	●				●
SIHD24015-01B	27.6VDC	1.5A	205*165*75mm	●				
SIHD24025-01B		2.5A	265*195*75mm	●				
SIHD2405-01B		5A	295*195*90mm	●				
SIHD2410-01B		10A	395*285*165mm	●				
SIHD4805-01B	54.4VDC	5A	395*385*165mm					

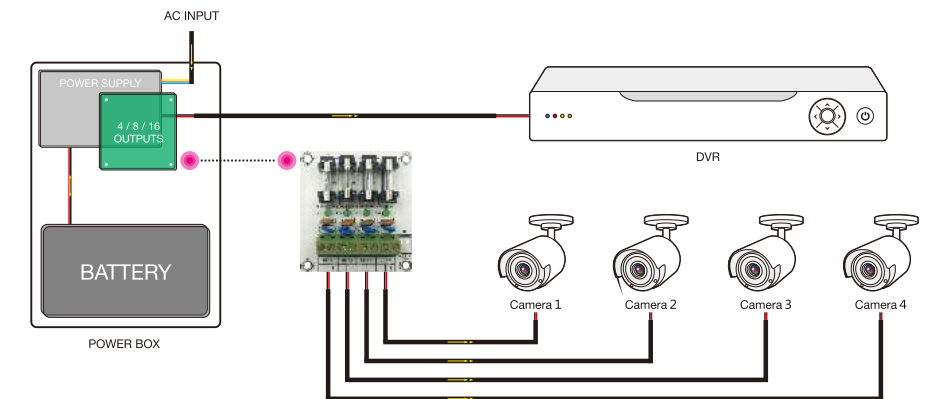

# Optional Module

ANDGOOD®  
Always Be Your Power Solution

## 4 / 8 / 16 Outputs

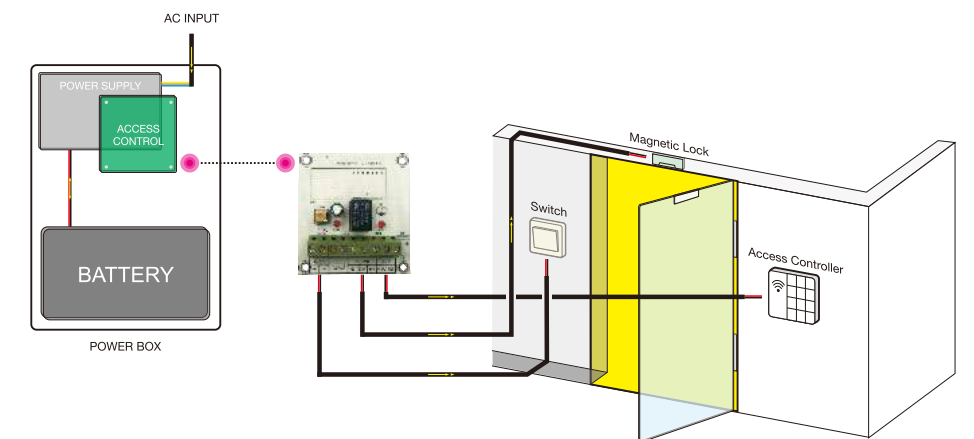

- 4 / 8 / 16 individual fused outputs
- Optional PTC auto resettable fuse
- LED indicator for each output

## Access Control

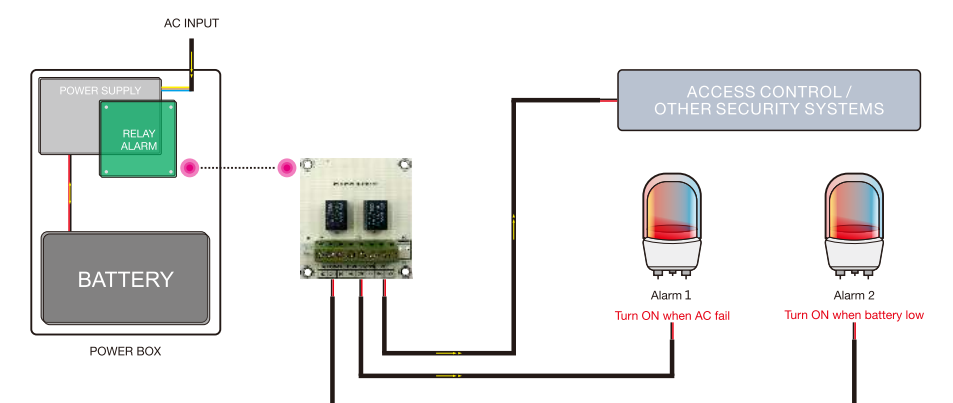

- NC/NO/COM power output
- Two kinds of trigger signal
- 0 - 10s adjustable timer

## Relay Alarm

- NC/NO/COM signal output
- AC failure monitoring
- Battery low voltage monitoring

# DIN Rail Power Supply (UPS)

ANDGOOD®  
Always Be Your Power Solution

- Fit for industrial rail TS35/7.5 or 15
- Optional UPS version for lead acid battery and lithium battery
- Customizable output voltages like 5V / 9V / 12V / 24V / 48V
- Full protections - overload, over voltage, short circuit
- Adjustable output voltage

## Specification

Model	Output Voltage	Output Current	Max Power	Dimension
DR12024-01C	12 - 14VDC Adj	2A	28W	27*92*56mm
DR12036-02C		3A	42W	89*92*56mm
DR12060-02C		5A	70W	89*92*56mm
DR12120-02C		10A	140W	43*124*113mm
DR24024-01C	24 - 28VDC Adj	1A	28W	27*92*56mm
DR24036-02C		1.5A	42W	89*92*56mm
DR24060-02C		2.5A	70W	89*92*56mm
DR24120-02C		5A	140W	43*124*113mm

# CCTV Power Supply

ANDGOOD®  
Always Be Your Power Solution

- Individual fused output - ensure rest outputs run despite any defective output
- Low ripple & noise - ensure camera provides stable and clear image
- Full protections - overload, over voltage, short circuit
- LED indicator for power and each output
- Adjustable output voltage

## Specification

Model	Output Voltage	Output Current	Output Channel	Dimension
SIWD1203-04C	12 - 14VDC Adj	3A	4CH	165*165*48mm
SIWD1205-09C		5A	9CH	202*200*50mm
SIWD1210-09C		10A	9CH	202*200*50mm
SIWD1212-16C		12A	16CH	305*205*50mm
SIWD1216-16C		16A	16CH	305*205*50mm
SIWD1208-09CB		8A	9CH	360*195*75mm

# Rack Mount Power Supply

ANDGOOD®  
Always Be Your Power Solution

- Individual fused output - ensure rest outputs run despite any defective output
- Low ripple & noise - ensure camera provides stable and clear image
- Optional digital display for output voltage and current
- Full protections - overload, over voltage, short circuit
- LED indicator for power and each output

## Specification

Model	Output Voltage	Output Current	Output Channel	Dimension
SIHD1210-08C-1U	12 - 14VDC Adj	10A	8CH	483*250*44mm
SIHD1215-08C-1U		15A		
SIHD1220-16C-1U		20A	16CH	
SIHD1230-16C-1U		30A		
SIHD1230-24C-1U		30A	24CH	
SIHD1245-24C-1U		45A		

# Desktop Power Adapter

ANDGOOD®  
Always Be Your Power Solution

- Fit for various power devices, especially for CCTV camera
- Low ripple & noise - ensure camera provides stable and clear image
- Optional AC plugs - CN, EU, US, UK, SA
- LED indicator for power
- Full current to load

## Specification

Model	Output Voltage	Output Current	Ripple & Noise	Dimension
APWD1201-01C	12VDC	1A	<100mV	82*42*28mm
APWD1202-01C		2A		95*45*32mm
APWD1203-01C		3A		108*52*33mm
APWD1205-01C		5A		108*60*33mm
APWD1210-01C		10A		170*65*40mm

## Metal Products Factory Professional OEM/ODM Service

ANDSAN industrial park is the manufacturing base of ANDGOOD, including a 5000 m2 metal factory that manufactures metal boxes, cases and heatsinks for ANDGOOD power supplies. The factory is equipped with heavy duty machines and spraying line to fulfill various OEM/ODM requirements. Our experienced structure and mechanical engineering team is ready to provide you with the best solution.

The factory is designed to produce 400,000 metal boxes per year. The equipments include:

- ▶ 1 x YANGLI CNC Punching Machine
- ▶ 1 x YANGLI Shearing Machine
- ▶ 2 x YANGLI CNC Bending Machines
- ▶ 3 x Spraying Cabinets
- ▶ 5 x Tapping Machines
- ▶ 5 x High-Speed Punching Machines
- ▶ 12 x Welding Machines
- ▶ 12 x Hydraulic Punching Machines
