convergint®

Delivering world-class **system integration services** across Oceania

About **Convergint**

One of the world's largest systems integrators, Convergint continues to grow its global footprint via organic growth and acquisition in Australia and New Zealand. Convergint is a **service-based, global integrator** that designs, installs, and services integrated building systems. Convergint expands its presence in Oceania with the acquisition of Prosys, an Australian tier-one provider in security management.

With over 200 colleagues and offices in Auckland, Brisbane, Canberra, Melbourne, Perth, and Sydney, Convergint Oceania can provide a vast array of **security services** tailored to the needs of local customers. Convergint is committed to a culture of Inclusion and Diversity and is an Equal Opportunity Employer.
