Sir Racha's **ORIGINAL** hot sauce is full of fresh chilli flavour, but respectful of your tastebuds. It packs a mild enough punch that the whole family can enjoy. Insanely good on natural oysters, BBQ'd prawns, pork belly bao buns, or your favourite pizza.

Pack Size: 12 x 200mL

Sir Racha's **HOTTER** hot sauce definitely packs an extra punch, thanks to the addition of ripe Habanero chillies to the mix. It's spicy enough to satisfy those who like it hot, but it won't totally knock-out your tastebuds, allowing you to still enjoy the flavour of your food. Just like the other two, this one is great on just about everything.

Pack Size: 12 x 200mL

Sir Racha's **TRUFFLED** hot sauce ramps up the wow factor of the original with the addition of truffle aroma and a little extra heat. This sauce is richly flavoured, spicy and a little bit fancy. Really good on hot chips, BBQ'd meats, or mix with some quality mayonnaise and use on your favourite burger.

Pack Size: 12 x 200mL
