

# Experience the future of audiovisual technology at Integrate 2023!

Jands, an Australian-owned and proudly independent company established in 1970, is a trusted distributor of leading Audio, Lighting, and Staging brands for the installation, production, and retail industries in Australia and New Zealand. With a commitment to excellence and innovation, Jands offers top-tier solutions tailored to individual needs and budgets. They represent renowned suppliers, including Shure, Biamp, Blustream, Ampetronic, L-Acoustics, Electro-Voice, Dynacord, RGBlink, Clear-Com, ETC, Robe/Anolis, Blaze Audio, Furman and RF Venue.

At Integrate 2023, visitors can experience these cutting-edge products, receive expert guidance from the experienced team, and explore the exclusive demo room on Level 3, room E3.7. Join Jands at booths #D10 and #G28 and discover the latest in audio, video, control, lighting, and staging technologies.
