

ENDETEK

A U S T R A L I A

Welcome to the AOG Energy 2024 Conference! We're thrilled to have EN DE TEK Australia showcasing their NDT equipment solutions, boasting a rich history since 1989.

Visit our booth, M34, to explore a range of cutting-edge technology from renowned brands such as Baker Hughes, ETHER NDE, Baugh & Weedon, DÜRR NDT GmbH, Dellon RVI, and New Sonic. Discover how our solutions can elevate the efficiency and effectiveness of your business operations. Don't miss the opportunity to see the latest in digital radiography software/hardware and meet industry experts at our booth, including Mr. Nick D'Ademo, Head of Software at DÜRR NDT GmbH, and Mr. Gilles Stevens, Sales Director from DÜRR NDT GmbH Germany. They'll be on hand to provide insights and discuss how our products can address your specific needs. We look forward to welcoming you at booth M34 and exploring how EN DE TEK Australia can contribute to your success in the energy sector.
