

INDUSTRIAL PLANT AND SERVICE

AN INDEPENDENT SERVICE PROVIDER

ABOUT IPS AUSTRALIA

Industrial Plant and Service is an independent service provider representing a number of original equipment manufacturers (OEM), providing the highest quality of professional sales and service to a wide range of customers, specifically for high-speed rotating equipment such as turbo compressors, steam turbines, reciprocating compressors, pumps and more.

R.evolving Engineering since 1975

SAFETY

Everyone goes home the same way they come to work.

QUALITY

We follow processes. Think, and get it right the first time.

CUSTOMER FOCUS

We listen to and focus on the needs of our customers.

OPENNESS & INTEGRITY

We are always open to others' viewpoints, and do what we say we do.

CONTINUAL IMPROVMENT

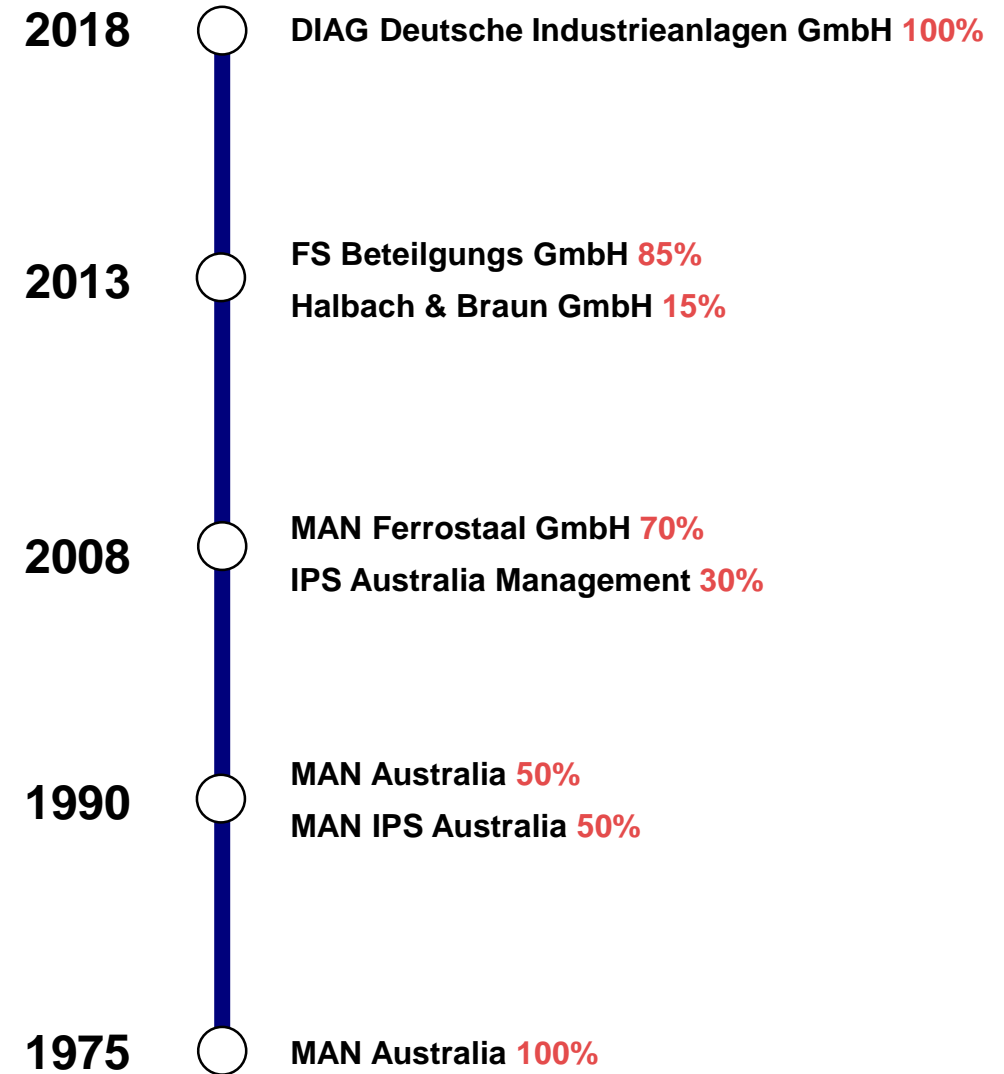

We increase our knowledge, capabilities and efficiency, and innovate.

ENJOYABLE CUSTOMER SATISFACTION

Our final objective is customer satisfaction at a profit while having fun.

HISTORY & EVOLUTION

We have been operating for decades and are passionate about the work we do. For over 45 years, we have overhauled and inspected rotating equipment and continue to grow to deliver the best.
