Anima Mundi
(Latin)

*the world soul; the intrinsic connection
between all living things in nature.*

Anima Mundi was founded as a means to introduce ancient remedies to the modern world. Drawing from several healing traditions such as Indigenous Rainforest Herbalism, Ayurveda, Taoist Chinese Medicine and Western Herbalism, we create potent formulas inspired from ancestral healing cosmologies. Our ethos is to create a sustainable healthcare system that supports the body, mind and soul holistically, to achieve a higher level of wellness.

Our plant medicines are handcrafted in Brooklyn, NY by herbalists, plant medicine enthusiasts and a team that pours their mind and soul into this tradition. We only use organic, wildcrafted or ethically sourced ingredients to ensure high vibrational formulations. We guarantee a particular vibrancy and freshness unparalleled within today's market.

At Anima Mundi, we believe that by preserving ancient indigenous botany, we keep alive a very sacred connection to our source.

GOLDEN MILKS

Inspired by a traditional Ayurvedic wellness ritual, golden milk, also known as *haldi doodh*, is an ancient medicinal drink. Turmeric milk is touted for its healing and anti-inflammatory properties, largely thanks to the compound curcumin. Golden milk is often combined with spices and fellow restorative and rejuvenating herbs, as it's designed to support the body and mind. Turmeric has been used in Ayurvedic medicine and other rainforest cultures for thousands of years, for conditions such as: joint pain, inflammation support, digestive issues, fatigue, stiffness, and so much more. It's excellent for kids, and safe for most people. Our Turmeric is 100% organic, grown by a women's cooperative in India.

GOLDEN SUN MILK

AWAKE & FOCUSED

Energizing Adaptogenic Chai

Our Golden Sun Milk contains activating plants, such as adaptogenic powerhouses Maca and Cordyceps, known to energize the body, along with Mucuna, a revered nootropic—also called "dopamine bean" due to its ability to enhance our dopamine receptors. Additionally, delicious and organic chai spices such as Cinnamon, Cardamom, Black Pepper and Vanilla are sprinkled into this new morning go-to blend.

INGREDIENTS: Turmeric Root*, Ginger Root*, Cordyceps Mushroom*, Maca Root*, Cinnamon Bark*, Lucuma Fruit*, Cardamom Seed*, Vanilla Bean*, Clove*, Black Pepper*.

SUGGESTED USE: Add 1 tsp to a cup of warm milk or hot water, mix well, and add sweetener.

GOLDEN MOON MILK

RELAX & RESTORE

Blue Lotus Vanilla

Our Golden Moon Milk contains relaxing plants such as Ashwagandha, along with restorative shen or spirit-nourishing plants such as Reishi and Blue Lotus. It also contains essential digestive herbs that assist relaxation such as Lavender, Cardamom, and Vanilla. This is a perfect evening beverage to help you unwind, relax and find serenity.

INGREDIENTS: Turmeric Root*, Reishi Mushroom*, Ashwagandha Root*, Lucuma Fruit*, Blue Lotus Flower[^], Vanilla Bean*, Cardamom Seeds*, Lavender Flower, Black Pepper*.

SUGGESTED USE: Add 1 tsp to a cup of warm milk or hot water, mix well, and add sweetener if preferred.

EUPHORIA

HERBS FOR LOVE + CREATIVITY

Mood, Joy + Bliss

Indigenous peoples around the world have been spicing up their lives with the help of wise and precious plants for as long as humans have explored sexuality. In fact, some of the most potent aphrodisiacs, mojo boosters, and mood enhancers come from the jungle's lush terrain. Other than being a mood uplifter, the plants within this formula are known to arouse the spirit, make us feel good and elevated, while containing plants known to nurture our reproductive organs, help curb excess stress, anxiety and soothe overworked nerves.

INGREDIENTS: Pomegranate Fruit, Cacao Bean*, Lucuma Fruit*, Damiana Leaf, Catuaba Bark, Schisandra Berry, Guarana Seed, Muira Puama Bark, Vanilla Bean*, Monk Fruit, Goji Berry*.

SUGGESTED USE: Add 1 tsp to tea, juice, smoothie or favorite dessert.

HAPPINESS

SUPPORTS BALANCED MOODS

"Herbal Coffee"

This super-powder contains key herbal allies that we like to call 'happy herbs', such as Ashwagandha, Rhodiola, Mucuna, Albizia and St John's Wort. To top it all off, we combined these happy herbs with coffee-esque bases for their grounding and exquisite flavors, such as roasted Dandelion, roasted Chicory, Maca, Lucuma, Burdock, Mesquite and real organic Vanilla. The taste is earthy, lightly roasted, malty, aromatic, sweet with a mild bitter backnote. Pair with your choice of milk, and/or sweetener for a true treat!

INGREDIENTS: Roasted Dandelion Root*, Roasted Chicory Root*, Burdock Root*, Maca Root*, Mesquite Pods*, Ashwagandha Root*, Mucuna Bean, Albizia Bark^, Rhodiola Root*, St. John's Wort^, Lucuma Fruit*, Cinnamon*, Vanilla Bean*.

SUGGESTED USE: Add 1 Tbsp per cup of hot water, or in your choice of tea. Also, enjoy in your favorite healthy meal.

BELLY LOVE

DE-BLOAT + DETOX

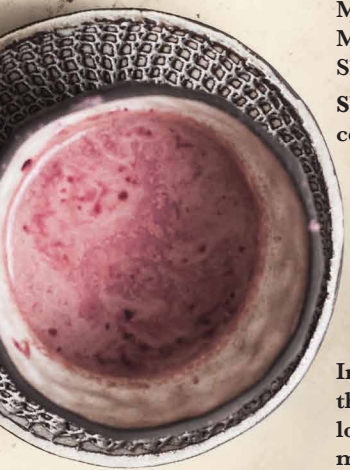

Metabolism Harmonizer

We live in a world where there is an abundance of bad fats, oils and ingredients within the marketplace finding their way into our lives unperceived and in the most unexpected ways. Overtime, these can tax our liver and cause a bunch of common side-effects such as bloating, gas, allergies, stagnation, a backed up metabolism and more. To combat this we designed this formula with the intention to help assist fat metabolism, boost healthy digestion, detox and to boost metabolism. This exquisite powder is easy to dust into anything, from healthy foods, smoothies, juices, to simply dissolving in water to drink as a digestive juice before meals.

INGREDIENTS: Cranberry Fruit*, Garcinia Fruit, Mangosteen Fruit*, Mangosteen Peel, Cha de Bugre Leaf^, Ginger Root*, Hibiscus Flower*.

SUGGESTED USE: 1.5 tsp per serving in warm water, tea, smoothies or juices. Recommended intake is 2x per day 30 min before meals. Enjoy for 30 days and adjust dosage if needed.
