

# SANDBOX

## Transforming Ideas into Captivating Visual Experiences

### Company Focus:

Sandbox specialises in 2D/3D animations, captivating VR experiences, and high-impact videos crafted for the energy industry. With over a decade of dedicated service, our work includes celebrated projects for leading AOG sector players, transforming complex ideas into clear, impactful visual narratives.

### Service Highlights:

- ✓ **2D/3D Animation:** Bring your technical processes to life, showcasing your energy solutions with precision and creativity.
- ✓ **VR Content Creation:** Step beyond conventional marketing with VR training and demonstrations that engage and inform.
- ✓ **Traditional Video Production:** From corporate storytelling to dynamic event coverage, our cinematic approach puts your brand in the spotlight.
