HELSINKI HIGHLIGHTS

Monday, July 30, 9:00 AM - 100 PM

Depart with coach and guide for a Helsinki city tour. First, you will head to Senate Square and the green-domed Lutheran Cathedral - the symbol of the city. You will walk to the market square, from which you can also see the impressive Uspenski Russian orthodox cathedral. In Sibelius Park you can get off the coach to view the Sibelius Monument, before moving on past the Olympic Stadium, built for the 1952 Olympic Games. During the tour you will see many fine buildings such as the modern Opera House, Finlandia Hall, the National Museum, and the Kiasma Modern Art Museum. At the base of Esplanade Park is the bustling Market Square and harbour. One of the highlights of the tour is an inside visit to Temppeliaukio church, the famous “Rock Church.” The church is built into solid rock, with the inner wall left raw and unfinished. Duration 4 hours.

PORVOO EXCURSION

Monday, July 30, 9:00 AM - 1:30 PM

A 50 minute drive to the east of Helsinki lies Porvoo, Finland’s 2nd oldest town. Stroll through the medieval quarter, along old cobbled streets of historic painted wooden houses, cafes, and antique stores. The town is famous for its ochre-painted shore houses along the riverside. The 13th century cathedral is the town’s major historic landmark. On this tour you will also visit the Art Factory, a superbly renovated factory milieu with concert venues, a gallery, restaurants and artists’ studios. Visit the Art Hall gallery displaying exhibitions of contemporary art. Coffee and cake is served in one of the atmospheric cafes in the Old Town. Duration 4.5 hours

ISLANDS TOUR TO VALALLISAARI & SUOMENLINNA FORTRESS

Friday, August 3, 12:00 PM - 5:00 PM

Depart by private coach to the Market Square & Harbour. Board a ferry for the 20 minute crossing of Helsinki Bay, with fine views of the city skyline. First you will arrive at Vallisaari island – a unique island that had been closed to the public during use by the Finnish army, but opened to the public in 2016. From Vallisaari you will continue to the Fortress island of Suomenlinna, and partake in a walking tour of the island. In 1747 a fortress was built as the main base for the armed forces stationed in Finland. Soon after Finland gained independence from Russia in 1917 the Swedish name of the fortress was officially changed to the Finnish Suomenlinna, “Castle of Finland”. In 1991, Suomenlinna was designated as a UNESCO World Heritage Site. Visit Suomenlinna Museum, which is in the main Visitor Centre, giving visitors a glimpse of the life of officers and soldiers during the periods of Swedish and Russian rule in the 18th and 19th centuries. Duration 5 hours.
