- All text lettering should be large enough to be legible at a distance of 1.5m. Lettering used for titles should be 24 point size minimum (Calibri or Arial are good fonts to use).
- Large type from a word processor, photo-enlarged typing, stencilling, and rub-down letters (eg, Letraset) are recommended for text and captions. Freehand lettering is not recommended except for last minute alterations. All text must be in English.
- Photographs and diagrams should be large enough to be read at a distance of 1.5m.
