AN INTERNATIONAL ASSOCIATION FOR MEDICAL EDUCATION

River Cruise

Discover the city of Basel from a different perspective; from the water! This is an opportunity to take in the fantastic architectural and cultural highlights of the city, the port and its freight network, as well as discovering the importance of the pharmaceutical industry in the city. Participants will travel by tram from the Congress Centre directly to the Basel 'Schifflände', the river port, to board the boat. The boat will cruise in the direction of Birsfelden, followed by the 'Dreiländereck' (the 'Three Country Corner' of Switzerland, Germany and France), before returning to the starting point, for the return to the Congress Centre by Tram.
