Leaders Shaping the Future of Business

Cave of the Winds – The Discovery Tour

Welcome to Cave of the Winds!! On this tour, you'll wind your way through nearly a mile of Colorado caverns, including the Majestic Hall, the Bridal Chamber and the Temple of Silence. You'll duck under Fat Man's Misery, marvel at geological formations like the Giant's Bleeding Heart, and experience total cave darkness. Join us on this Discovery Tour to explore the wonders of the underground – at the top of a mountain!

Date: Sunday, August 11, 2013

Location: 100 Cave of the Winds Road, Manitou Springs, CO

Time: Tour check-in begins at 9:30 AM and busses will depart the Broadmoor promptly at 10:00 AM.

Who Can Participate: This tour is open to all attendees and their companion. Cave tours are not recommended for pregnant women or people with heart and respiratory problems. The cave is not wheelchair-accessible because of its narrow passageways and stairs.

Dress Code: Wear comfortable clothing: jeans, shorts, or even a comfortable skirt will do. Make sure your shoes have good traction – sneakers or hiking boots are ideal. Bring a light jacket – even in the heat of a Colorado summer, the temperature in these Colorado caves is a pleasant 54 degrees.

To register for the CIO Cave of the Winds Tour, please contact executive programs at 508-988-7548 or email us at executiveprograms@cxo.com. We are also available for any additional questions you may have.
