## **Walking Tour of the City, including the Cathedral and Kunstmuseum**

You will depart from the Basel Congress Centre by coach, for the short transfer to the city centre where this tour will commence. The tour includes the city's history and highlights, including Basel's glorious Cathedral, the city's most famous landmark. Built on a hill overlooking the Rhine, with its red sandstone walls, colourful roof tiles and twin towers, no other building dominates the cityscape of Basel like the Cathedral. Discover the rich history and fabulous sculptures and artworks of this beautiful building before continuing to the Kunstmuseum, where you will have some free time to explore the largest public art collection in Switzerland at your leisure, before a coach will return you to the Congress Centre.
