

7th International Symposium on
Meniere's Disease
 and Inner Ear Disorders

ROME ITALY
 October, 17th - 20th, 2015

AUDITORIUM ANTONIANUM
 Viale Manzoni, 1 - Rome

www.meniere2015.eu

October 17 (Sat)			October 18 (Sun)			October 19 (Mon)			October 20 (Tue)			October 21 (Wed)	
	AUDITORIUM		AUDITORIUM	SAN FRANCESCO hall		AUDITORIUM	SAN FRANCESCO hall		AUDITORIUM	SAN FRANCESCO hall			
		08.00 - 08.10	Opening		08.00 - 08.20	KL 5 Immune-mediated Ménière's Disease		08.00 - 09.00	SAC surgery	Vestibular disorders			
		08.10 - 08.25	KL 1 History of Ménière Disease Symposia		08.30 - 09.30	Immunological aspects	Barany SYMPOSIUM	09.00 - 10.00	RT: surgical treatment	Vestibular function after CI surgery			
		08.30 - 09.30	Human pathological findings		09.30 - 09.50	KL 6 Cerebral venous insufficiency in Ménière's Disease					10.00	Private audience with Pope Francis	
		09.30 - 09.50	KL 2 Cochlear proteomics of fluid and ion transport		10.00 - 10.30	Venous congestion in Ménière's Disease	Vestibular migraine	10.30 - 10.50	KL 7 Personalized medicine for cochlear implantation				
		10.00 - 10.30	Pathways to the inner ear		10.30 - 11.00	Coffee-break							
		10.30 - 11.00	Coffee-break		10.30 - 11.00	Coffee-break							
13.30	GOLF DAY AT OLGIATA GOLF CLUB	11.00 - 11.20	KL 3 Human endolymphatic duct system, transepithelial water channels and cochlear ultrastructure	Histopathology	11.00 - 12.30	JSER SYMPOSIUM	Sudden hearing loss / perilymphatic fistula / ototoxicity	11.00 - 12.30	Hearing rehabilitation in Ménière Disease	Effect of ci on Ménière Disease			
		11.30 - 11.50	Blood-perilymph barrier	Barany SYMPOSIUM	12.30 - 13.25	Vestibular rehabilitation	Dehiscence syndrome	12.30 - 13.15	RT: discussing the present aao-hns guidelines?				
		11.50 - 13.30	The function of the endolymphatic sac	Regeneration, proteomics and genetics of the inner ear	13.30 - 14.20	LUNCHEON SYMPOSIUM (Controversial aspects of the clinical studies on the use of betahistine in Ménière's Disease)		13.15	CLOSURE				
14.00 - 17.00		REGISTRATION	13.30 - 14.20	LUNCHEON SYMPOSIUM (electric vestibular stimulation)									
14.30 - 15.00		MINISYMPOSIUM: antiseccretory factor: a clinical innovation in Meniere's Disease ?	14.30 - 14.50	KL 4 Regenerative medicine for the inner ear		14.30 - 15.40	It treatment in md - gentamycin	BPPV					
		15.00 - 16.30	Audiological workup	Vestibular workup	15.50 - 16.30	It treatment in md - steroids	Clinical issues						
15.15 - 16.45	VAI SYMPOSIUM: BPPV	16.30 - 17.00	Coffee-break		16.30 - 17.00	Coffee-break							
17.00	OPENING CEREMONY	17.00 - 18.30	Imaging workup		17.00 - 18.00	Medical treatments	Pressure treatment						
19.00 - 21.30	Dinner at Olgiate Golf Club (players only)	18.30 - 19.30	SYMPOSIUM intratympanic dexamethasone as a treatment for Ménière's Disease	Endolymphatic hydrops				Posters					
		20.00	Free evening		20.00	GALA DINNER
