

The Low Threshold HCV clinic

What is that

A threshold something to get over

1. What are the Barriers and thresholds
2. Which ones can we get rid of
3. How can we make the remaining ones smaller
4. What do low threshold models look like
 1. We will need more than one type

WHAT ARE THE BARRIERS AND THRESHOLDS

WHICH ONES CAN WE GET RID OF

**HOW CAN WE MAKE THE REMAINING
ONES SMALLER**

**WHAT DO LOW THRESHOLD MODELS
LOOK LIKE**
