IDEACTION.2017

SHAPING OUR FUTURE

GOLD COAST CONVENTION AND EXHIBTION CENTRE 14 - 17 MAY 2017

INVITATION TO PARTICIPATE

In 2017, facilities management industry professionals will come together again to consolidate industry knowledge at Ideaction.2017, the Facilities Management National Conference and Exhibition.

Facilities management is a diverse industry, constantly developing to ensure it remains relevant and up-to-date for the benefit of the ever changing needs of building occupiers, and those wanting to maximise the value of their space.

Ideaction.2017 will be held on the Gold Coast, which is set to be home of the 2018 Commonwealth Games – a great opportunity for conference delegates to take advantage of the location as the development of key facilities for the Games is advancing.

The theme for the 2017 conference, 'Shaping our Future', clearly conveys the message that the facilities management industry is proactively approaching issues such as: advances in technology, changes to legislation and shifts in community expectation, to shape the future of the built environments.

As valued members of the facilities management community, our sponsors and exhibitors come together again and form an integral part of the conference. We also look forward to seeing a variety of industry professionals passionate about the facilities management industry exchanging information and discussing industry issues.

It is certainly recognised that your commitment and support form an essential contribution to the success of the Ideaction series, and we look forward to reuniting with our long-term sponsors, as well as welcoming new ones.

This document outlines the variety of levels of involvement you can achieve through a selection of sponsorship packages.

However, if there are other ways you would like participate in Ideaction.2017, we would be more than happy to consider your suggestions.

We hope that you will join us for Ideaction.2017 and look forward to seeing you on the Gold Coast.
