HS and Covid-19

- Dedicated page on COVID-19
- Two lists with commodities:
 - Medicines (prepared by WHO)
 - Indicative list of medical supplies
- HS 2017 classification

NEW updates!
[COVID-19 dedicated page](#)

HS and Covid-19

- Knowing accepted classification important
- Rapid movement vital
- Can remove risk of critical delays
- Prior to any emergency: pre-entry classification information
- For administrations:
 - Rapid information on relevant trade compliance measures
 - Including tariff classification for situation-critical supplies

THAT'S ALL !

Thank you for your attention
