

February 1, 2017

Dear AGD2017 Attendee,

You are formally invited to attend AGD2017, July 13 to 15, 2017, in Las Vegas, Nevada.

AGD2017 marks the very first meeting in our new scientific session format dedicated solely to education, exhibits, and networking events for the field of general dentistry.

Here are just a few of the new features premiering in July:

- **One-Hour Lectures**– AGD2017 will feature over 90-unique courses in a new one-hour lecture format allowing attendees to customize their CE schedule by choosing specific topics related to an overall subject.
- **AGD Student and New Dentist Lounge**– The lounge grants students and recent grads exclusive access to CE sessions, a career fair, and mentorship networking events, while supplying a place to eat, drink, and converse with peers.
- **“Wine” Down with Experts**– At the end of a long day of learning, attendees will be able to wind down with a drink, and take advantage of some one-on-one time with speakers.
- **Women’s Leadership Panel & Luncheon**– AGD recognizes the growing influence of women in the dental field and this event gives attendees the opportunity to hear from and network with women leaders from dental associations across the world.

Registration for the premier meeting for general dentistry is only a few days away. Be sure to bookmark agd2017.org for up-to-the-minute information on CE and events!

AGD accepts no responsibility for the accuracy of the information provided by the prospective attendee or for the attendee’s actions while in the United States.

We look forward to seeing you in Las Vegas!
