Come to the Vogue Knitting Fashion Show at 4:15 to hear the winner of the Vogue Knitting/Skacel Fiber Factor contest! The finalists designed Chanel-inspired pieces that will be featured in the runway show.

Our company is owned and operated by three sisters. We design, cut and sew purses, bags, totes, wine totes, table cloths, table runners, napkins and pillows in a variety of styles and fabrics.

Featuring materials that were destined for landfill or had a "prior life", many of our products are made from designer or decorator fabrics and vintage fabrics. We give old fabric new life. This is our contribution for a greener Earth. One of a kind products-all made in the USA with guaranteed workmanship.

Please use Discount Code: 3GREENSISTERS during checkout to receive a 15% discount on your entire order.
