Collaboration	IBM	World Community Grid
Digital Access	Net Literacy	Digital Literacy "best practices" site
Economic Opportunity	Airtel Africa	Airtel Money
Emerging Technology	Idaho Education Network	The Idaho Education Network Implementation Project
Environment	Allstate Insurance Company	Allstate's Emerald City
Health	International Virtual e-Hospital	Balkan Telemedicine Program
Human Services	City of Boston Department of Innovation & Technology	BOSTONavigator: Boston's New Youth Opportunity Management Tool
Innovation	Duke University	SAS OnDemand for Education: Sustainability Management helps Duke University Measure Institutional Sustainability
Safety & Security	US Army Research Development and Engineering Command (RDECOM), Communications-Electronics Research Development and Engineering Center (CERDEC), Intelligence and Information Warfare Directorate (I2WD), Electronic Warfare (EW) Systems Ground Branch	Counter Radio Controlled Improvised Explosive Device (RCIED) Electronic Warfare (CREW) Duke Version 3
Training/ Education	Planned Systems International	Military Health System Learn (MHSLearn)

Also recognized was Paul Maritz, President and CEO of VMware, with the Morgan Stanley Leadership Award for Global Commerce. This award recognizes individuals whose personal leadership has made a critical contribution to the effective use of information technology throughout the world.

“This awards program recognizes the continual and enormous contributions being made by technology for the betterment of society today,” said John Amato, Publisher, Computerworld. “All of this year’s honorees truly embody the Program’s mission ‘A Search for New Heroes.’ To be able to acknowledge and celebrate the contributions of the people and organizations behind the technology is something that Computerworld is proud, and humbled, to be a part of.”

More information, including the complete list of 2011 Computerworld Honors Laureates as well as the 55 21<sup>st</sup> Century Award finalists, is available at the Computerworld Honors website (<http://events.computerworld.com/Honors2011>).

#### **About Computerworld Honors Program**

Founded by International Data Group (IDG) in 1988, The Computerworld Honors Program is governed by the not-for-profit Computerworld Information Technology Awards Foundation. Computerworld Honors is the longest running global program to honor individuals and organizations that use information technology to promote positive social, economic and educational change. Additional information about the program and a Global Archive of past Laureate case studies and oral histories of Leadership Award recipients can be found at the Computerworld Honors website (<http://events.computerworld.com/Honors2011>).

#### **About Computerworld**

Computerworld is the leading source of technology news and information for IT influencers worldwide, providing peer perspective, IT leadership and business results. Computerworld’s award-winning Web site (<http://www.computerworld.com>), bi-weekly publication, focused conference series and custom research forms the hub of the world’s largest (40+ edition) global IT media network. In the past five years alone, Computerworld has won more than 100 awards, including Magazine of the Year by American Society of Business Publication Editors (ASBPE) awards in 2010, the 2009 Best Blog from the Neal awards, and 2006 Best Overall Web Publication from ASBPE. Computerworld leads the industry with an online audience of over 3.5 million unique, monthly visitors (comScore Media Metrix, August 2010). Computerworld is published by IDG Enterprise, a subsidiary of International Data Group (IDG), the world’s leading media, events, and research company. Company information is available at [www.idgenterprise.com](http://www.idgenterprise.com).
