

**Lavender, 13**

blood disorder

*I wish to go on the Very Merry Disney Cruise!*

Despite having a life-threatening blood disorder, Lavender doesn't let that get her down. She is a creative, kind, and enthusiastic 13-year-old teen, who loves to draw, play the flute, and spend time with her four cats (Tyree, Buttercup, Simon, and Snowball)! Lavender also enjoys playing Roblox and Minecraft, watching movies like X-Men, and accessorizing her Crocs.

After thinking about what she might like for a wish, **Lavender** decided that she would like to *wish to go on the Disney Very Merry Time Cruise!* She remembers her last cruise fondly, and she looks forward to swimming, snorkeling, and enjoying the spirit of the holiday! Her wish is coming true this December, and with your help, we can provide a little extra magic!
