PRIVACY AND DATA PROTECTION IN HEALTHCARE: THE LEGAL CONSTRAINTS

Dai Davis, Solicitor and Chartered Engineer, www.daidavis.com

Follow us  @eHealthWeekEU #eHW15

A decorative banner at the top of the slide shows a panoramic view of the Riga skyline, including several prominent church spires and buildings along the water's edge.

Three Short Presentations

- Can any Medical Data be kept Confidential - Fundamental issues of Privacy
- Data Protection – Why there is no Answer
- Medical Data and the Internet of Things

Can any Medical Data be kept Confidential - Fundamental issues of Privacy

- Fundamentals of data protection
- Fundamentals of sharing medical data
- Dichotomy
- What do we mean by privacy
 - Keeping data “private”

A decorative banner at the top of the slide shows a panoramic view of the Riga skyline, including several prominent church spires and buildings along the waterfront, with a few sailboats on the water.

Data Protection – Why there is no Answer

- What do we mean by Data Protection
- Where do we find “Data Protection Law”?
- Why there can be no answer

Medical Data and the Internet of Things

- What is the Internet of Things
- Heart monitor example
- Heart pacemaker example
- Is the Internet of Things secure?
- Can the Internet of Things ever be secure?

THANK YOU
