COPENHAGEN ARBITRATION DAY

THE FUTURE OF ARBITRATION

OCTOBER 5, AT BØRSEN,
THE OLD STOCK EXCHANGE

THE DANISH
INSTITUTE OF ARBITRATION

Welcome to COPENHAGEN ARBITRATION DAY 2023

Dear Colleague

The Danish Institute of Arbitration and ICC Denmark are delighted to welcome you to this year's Copenhagen Arbitration Day.

We are honoured to present an excellent programme and it is with great pleasure that we present our speakers, who are some of the most recognised practitioners in the field.

The event takes place at Børsen (The Old Stock Exchange), situated right in the centre of the city of Copenhagen, next to the Danish Parliament and the Supreme Court.

Copenhagen Arbitration Day is the main event of the Danish arbitration calendar. It offers an outstanding opportunity to explore fundamental issues in international arbitration, to network and to be updated on international trends.

The conference will be followed by a drinks reception and dinner at the Royal Library situated a few minutes' walk from the conference venue. During the dinner, the Danish practitioner Christian Th. Kjølbye, Plesner, will deliver a short speech.

Finally, we would like to thank Dreyers Fond, our other sponsors and the Danish Chamber of Commerce for hosting us. Without you, it would not be possible to organise Copenhagen Arbitration Day.

With warm regards from the conference chairs:

Henriette Gernaa, Member of the ICC International Court of Arbitration

René Offersen, Former Member of the ICC International Court of Arbitration

Steffen Pihlblad, Secretary-General of the Danish Institute of Arbitration
