Premier of Ontario - Première ministre de l'Ontario

November 24 – 25, 2016

A PERSONAL MESSAGE FROM THE PREMIER

On behalf of the Government of Ontario, I am delighted to extend warm greetings to everyone attending This is Long Term Care — the second annual conference of the Ontario Long Term Care Association (OLTCA).

I wish to commend the OLTCA and its members for the vital role they continue to play in ensuring the dignity, security, safety and comfort of those living in our province's long-term care homes. Your expertise, care and compassion continue to make a positive difference in the lives of many individuals, families and communities.

I also wish to thank all those who have lent their time and energy to the success of this conference. I am very pleased that OLTCA members will once again have this opportunity to share best practices, discuss recent developments and hone their knowledge and expertise. I am confident that everyone attending will find all aspects of the conference — from the information sessions to the networking opportunities — of great benefit to their professional lives.

Please accept my best wishes for a successful and productive conference.

A handwritten signature in black ink that reads "Kathleen Wynne".

Kathleen Wynne
Premier
