

# The RIO21 Promise on Sustainable Development

**"Sustainable development is development that meets the needs of the present without compromising the ability of future generations to meet their own needs".**

*From "Our Common Future", The Brundtland Commission, 1987*

# Sustainability for beginners:

Please  
leave this  
room in  
the state  
as you  
wish to  
find it for  
you!

a "resource"

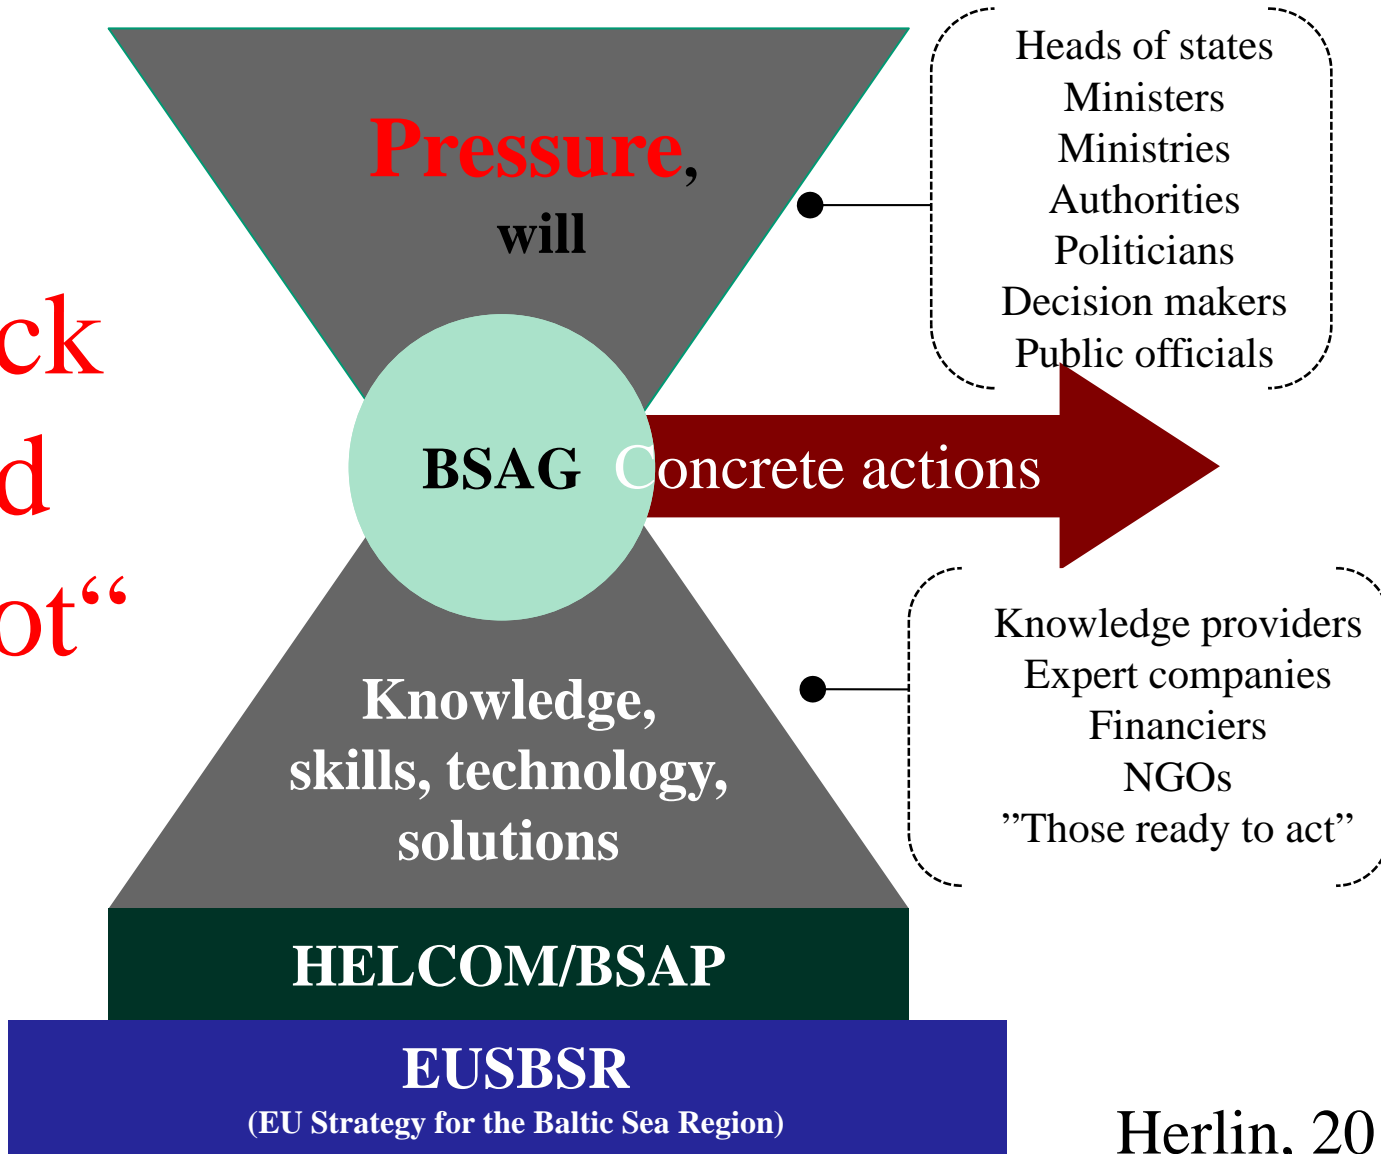

Sustainability for advanced users:

**Please leave this planet in the state as you wish to find it for you!**

„stick  
and  
carrot“
