# MAKING it happen

under the BIG SKY

## Montana Manufacturers MAKE it happen

Beginning nearly two decades ago, Montana's premier Manufacturing Conference provided attendees an opportunity to learn, network and grow. This year, we continue that legacy celebrating 20 YEARS | MAKING it happen. The 2016 Compete Smart Conference will strengthen your skills, grow your network and enhance the opportunities for your business. Join us October 6-7, 2016 at the newly renovated Fairmont Hot Springs Hotel and Conference Center.

## Why Montana Product Showcase?

**Montana Product Showcase is** approximately 100 linear feet of display lining Compete Smart's main event hall for all attendees to peruse during meals, breaks, opening session and special conference events. This is separate from our "exhibitor" spaces, as this space is just for you - Montana manufacturers. It is a way for your Montana manufactured products to reach peers and leaders in your industry, as well as funding agencies and other representatives. A placard with your company name, website, products, and market will be displayed with your product(s). So grab your 2' of free marketing space to showcase your Montana manufactured product! See you in October!

**Shipping (2 options)**

All shipping is paid by the manufacturer.

**Deadlines:**

**Friday, September 23**

USPS  
Meetings Northwest, LLC  
Attn: CS Product Showcase  
PO Box 2083
