

2020 PUBLIC HEALTH SUMMIT

April 29 - 30, 2020
Red Lion Hotel
Pasco, WA
Franklin County

AGENDA

Purpose: Provide space and time for the governmental public health system to collaborate, connect, and coordinate work on Foundational Public Health Services and system transformation.

Overarching Summit Goals:

1. Engage and inform the governmental public health system in current transformation and foundational public health services work.
2. Connect state, local, and tribal leaders to foundational public health services, further cultivate cross-agency collaboration in future foundational public health services planning and implementation.
3. Explore sharing, cross-jurisdictional and new models of service as system tools to assure implementation of foundational public health services in Washington.

Wednesday, April 29

11:00 – 12:30pm . . . **Registration & Networking Lunch. Bronze**
