The One Who Gathers All People proclaims Good News for all creation! The drumbeat of ancient tradition voices the sacred rhythm. One human heartbeat. One lifeblood. One pulsing need. One mutual dependency on God alone. Our Annual Conference 2021. Our gathering is a sacred trust. A time of reckoning. A time of remembrance. A time of repentance. A time of reconciliation. A time of restoration. Together we gather in great hope, to insist on the way of Radical Inclusion & Racial Justice for All. As witnesses in this age and for the ages to come, we proclaim in earnest, God's inclusive welcome for All!

OPENING PRAYER

Rev. Thung Hung

Spirit of Whirlwind and Wonder, fall upon your people. Move us, inspire us, and ignite in us, a burning desire to honor the way of Christ in all that matters for our human life. SCRIPTURE *1 Corinthians 12: 4-13*

Rev. Kory Douglass

⁴Now there are varieties of gifts, but the same Spirit; ⁵and there are varieties of services, but the same Lord; ⁶and there are varieties of activities, but it is the same God who activates all of them in everyone. ⁷To each is given the manifestation of the Spirit for the common good. ⁸To one is given through the Spirit the utterance of wisdom, and to another the utterance of knowledge according to the same Spirit, ⁹to another faith by the same Spirit, to another gifts of healing by the one Spirit, ¹⁰to another the working of miracles, to another prophecy, to another the discernment of spirits, to another various kinds of tongues, to another the interpretation of tongues. ¹¹All these are activated by one and the same Spirit, who allots to each one individually just as the Spirit chooses. ¹²For just as the body is one and has many members, and all the members of the body, though many, are one body, so it is with Christ. ¹³For in the one Spirit we were all baptized into one body—Jews or Greeks, slaves or free—and we were all made to drink of one Spirit.

LITANY OF HOPE FOR THE SOJOURNER SUNG RESPONSE - R

YoungWha Yae – Korean

믿음과 희망의 이야기를 나르며 멀고 가까운 곳에서 온 여행자들.

Travelers from near and far, bearing stories of faith and hope.

애통과 슬픔의 속삭임으로 비탄의 독생자의 이야기 말합니다.

Telling Tales of begotten woe in whispers of lament and sorrow.

영원한 기쁨의 비전 가운데 기뻐합니다. 신성한 이름을 높이십시오.

Exulting in visions of immortal gladness. Exalting the Sacred Name.

R Sojourners all are we.

Zachary Shore - English

We, a people, wandering, wondering, worrying in the face of mortal danger.

We, a people, daring life, risking limb, dreaming long of better days.

We, a people, creating anew, a breakthrough path on common ground.

R Sojourners all are we.

Gladis Albino - Spanish

Esforzándose hacia un futuro desconocido, esforzándose por el bien.

Straining toward an unknown future, striving toward the good.

En el sendero de los antiguos terrenos sagrados, bautizando a la Madre Tierra en un Sendero de lágrimas.

On the footpath of the ancients' hallowed grounds, baptizing Mother Earth in a Trail of Tears.

Todos soportan la carga del trabajo, la angustia del sufrimiento, lo indescriptible del pasado grave.

All bear the burden of toil, the anguish of suffering, the unspeakable of grievous past.

R Sojourners all are we.

Zachary Shore - English

All carry the shame of ancestral sins, bear guilt for consecrating Truth deniers.

Along the way, forgetting our birthright as Children of Light and Children of Day.

Still, hope beckons All to come. To converge as the Healing Stream.

R Sojourners all are we.

YoungWha Yae – Korean

우리는 인정의 따뜻함을 추구하고, 자부심, 소유, 능력, 고통을 경험하는 사람들입니다.

We, a people, seeking the hearth of human kindness, meet pride, possession, power, pain.

우리는 모든 문화, 모든 교리의 친구가 되고, 모두에게 오라고 손짓하는 사람들입니다.

We, a people, befriending kindred of every culture, every creed, beckoning All to come.

우리는 변화의 촉매제와 도가니가 되고, 더 나은 날을 위한 희망의 피난처가 되는 사람들입니다.

We, a people, becoming the crucible, the catalyst of change, the refuge of hope for better days.

R Sojourners all are we.

Gladis Albino - Spanish

Recordando el sacrificio ancestral del trabajo, la prueba y el terror, derramando sangre de vida sobre la tierra.

Remembering the ancestral sacrifice of toil, trial, and terror, spilling lifeblood upon the earth.

Venerando el Árbol de la Vida desplegando hojas multicolores de fragancia divina para el mundo.

Reverencing the Tree of Life unfurling multi-colored leaves of divine fragrance for the world.

Recordando a Todos que he aquí en cada rostro humano la visión beatífica de Jesucristo.

Reminding All to behold in every human face the beatific vision of Jesus the Christ.

R Sojourners all are we.

PROCLAMATION OF LOVE'S RADICAL INCLUSION

Rev. Ann Scott

O Hmong, African, Korean, Indian,
O Natives North and South American.
All Sons and Daughters of the Universe
In faces black and white and yellow and brown,
eyes brimming with Love Incarnate
gaze deep into our own.

In every human countenance, behold the face of Christ.
Kindred of every kind as One.
All tribes of love ne'er forsaken
All religions, All races, All persuasions.
All nations, All genders, All generations.
All people of every cultural hue
All exiles of the human race.

In every human countenance, behold the face of Christ.
Immortal. Immovable. Immutable. Indivisible.
The light has come, O Refugees upon this soil,
In All colored faces of the One
One breath. One life.
One hope. One people.
One Living Sacrifice of Love.
