Gina Buser

Co-Founder and CEO

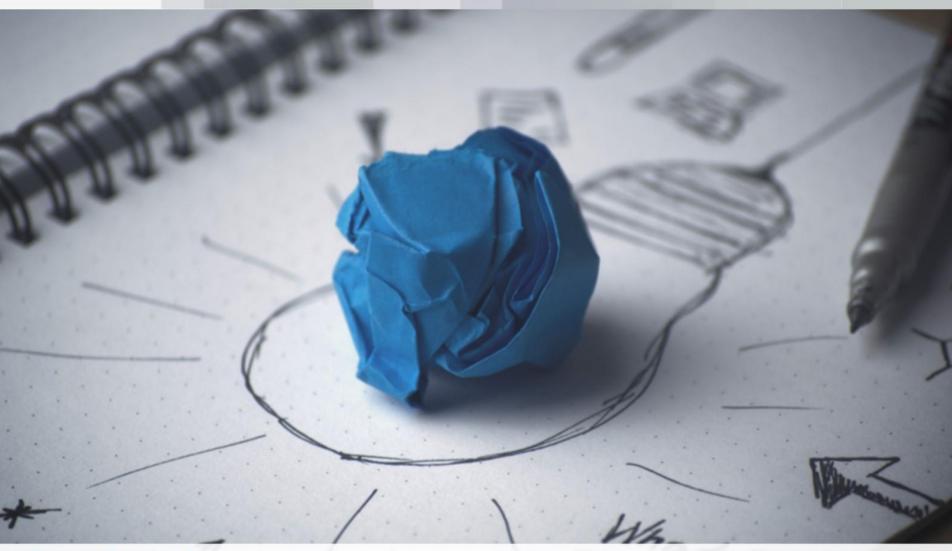

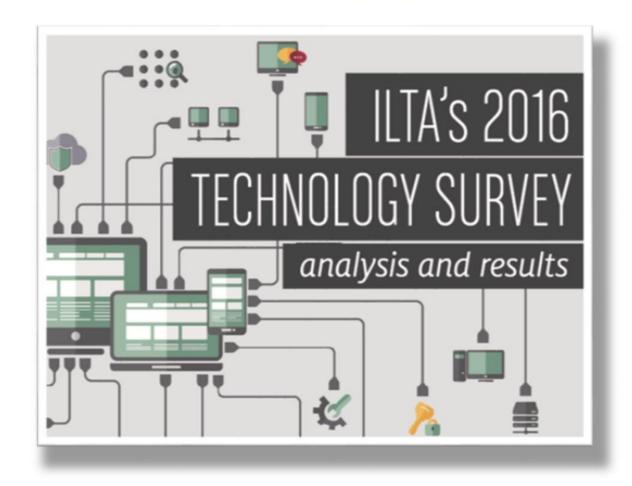

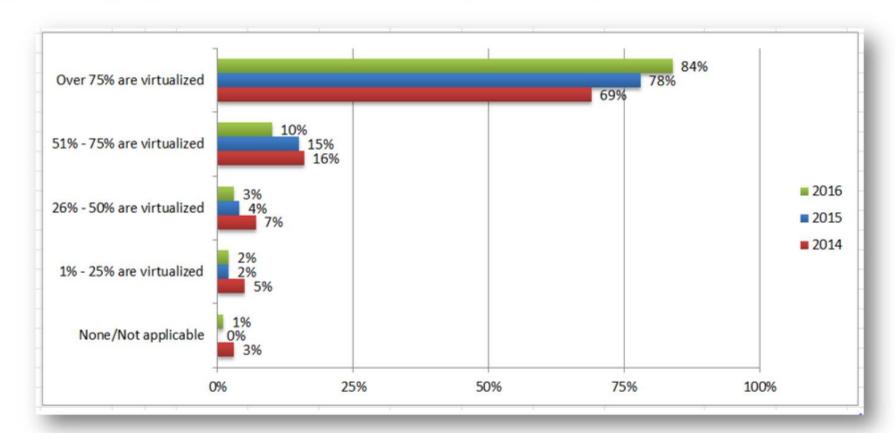

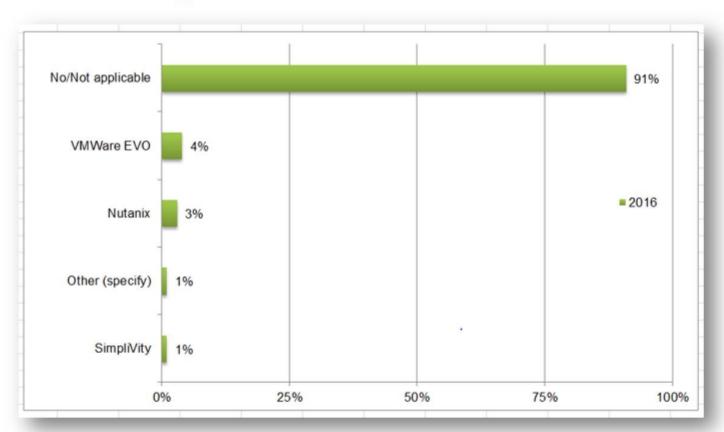

If your firm is currently making use of virtual server technology, please choose the percentage of servers that are virtualized. (choose one)

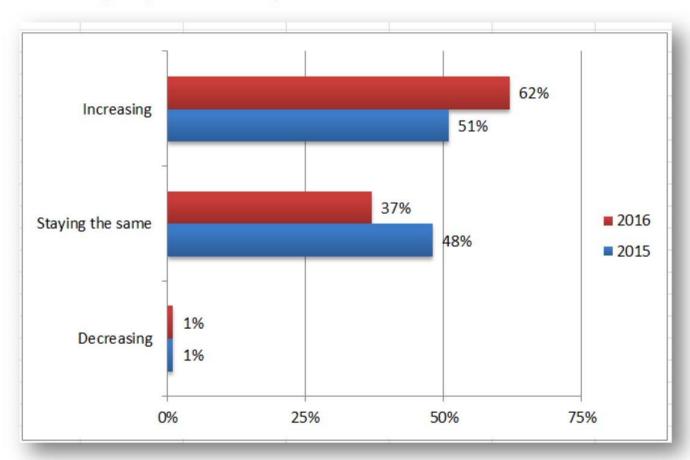

Does your firm use Hyper-converged technology? If so, please identify the PRIMARY system or solution being used.

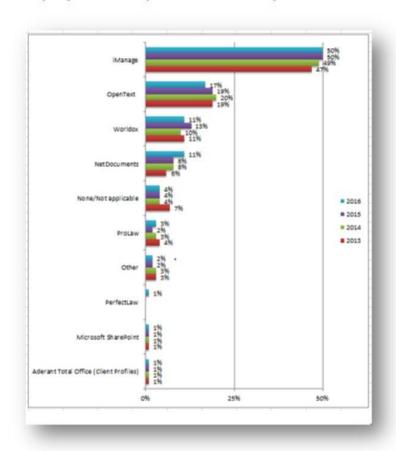

For the upcoming year, how do you predict your firm's adoption of cloud-based solutions will change? (choose one)

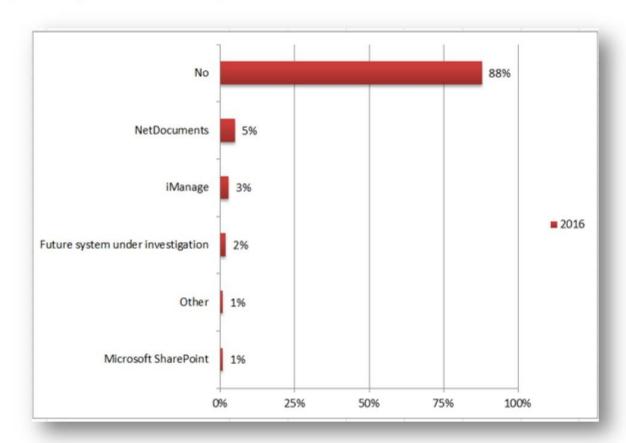

Please identify your firm's document management system (DMS) / enterprise content management (ECM) system. (choose one)

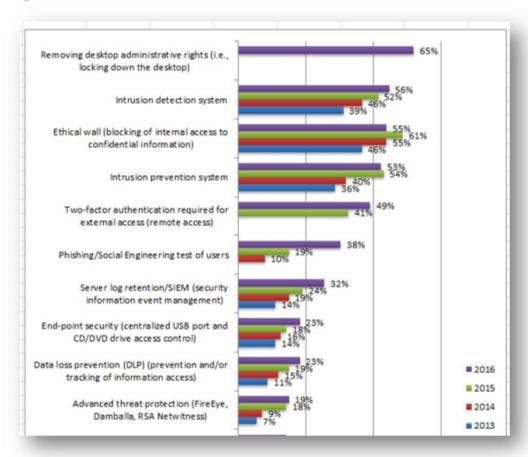

Do you have any plans to convert or migrate to a different document management system (DMS/enterprise content)

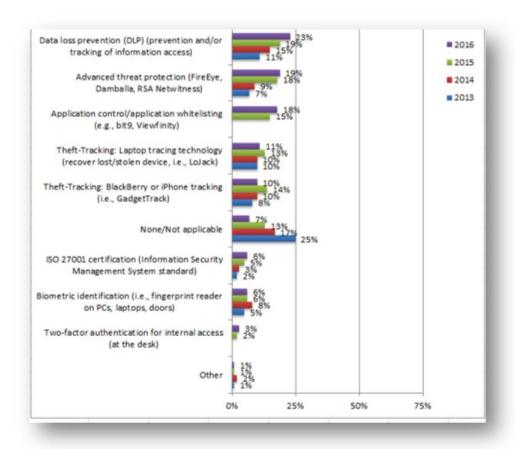

Besides encryption and common anti-virus software, which of the following security measures does your firm use?

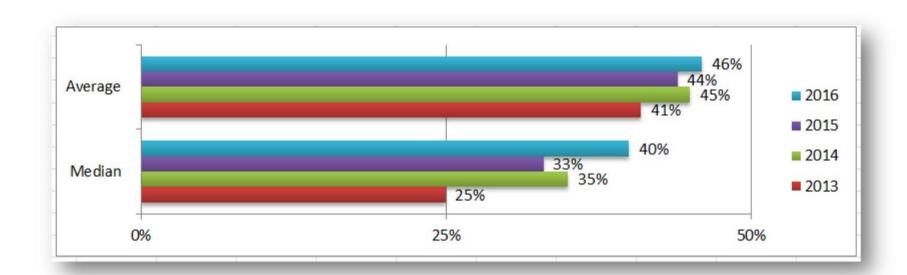

Besides encryption and common anti-virus software, which of the following security measures does your firm use?

Approximately what percentage of attorneys (if any) in your firm use notebook/laptops in place of desktop PCs?

Approximately what percentage of attorneys (if any) in your firm use notebook/laptops in place of desktop PCs?

	49 OR FEWER ATTORNEYS		50 TO 149 ATTORNEYS		150 TO 349 ATTORNEYS		350 TO 699 ATTORNEYS		700 OR MORE ATTORNEYS	
	COUNT	%	COUNT	%	COUNT	96	COUNT	%	COUNT	*
0% or Less	48	46%	51	38%	29	36%	5	14%	2	9%
1%-25%	5	5%	14	10%	8	10%	5	14%	0	0%
26%-50%	9	9%	18	13%	9	11%	8	23%	3	139
51%-75%	5	5%	10	7%	9	11%	2	6%	5	229
16%-90%	17	16%	13	10%	5	6%	6	17%	3	139
Over 90%	20	19%	28	21%	21	26%	9	26%	10	435

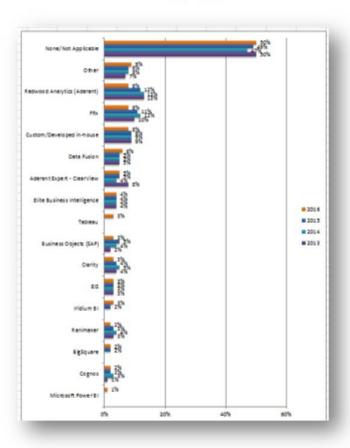

Thinking about the next three to five years, is there a technology or trend you believe will create significant change or be a major factor in the legal technology profession?

Does your firm use business intelligence/financial analysis software? If yes, which systems do you use? (choose all that apply)

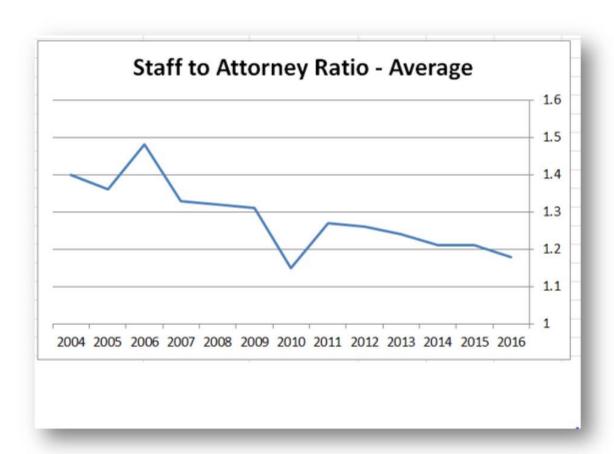

Does your firm use business intelligence/financial analysis software? If so, which systems do you use? (multiple responses allowed)

2016 responses by firm size

	49 OR FEWER ATTORNEYS		50 TO 149 ATTORNEYS		150 TO 349 ATTORNEYS		350 TO 699 ATTORNEYS		700 OR MORE ATTORNEYS	
	COUNT	56	COUNT	%	COUNT	%	COUNT	%	COUNT	%
None/Not applicable	108	80%	80	52%	24	28%	3	8%	1	4%

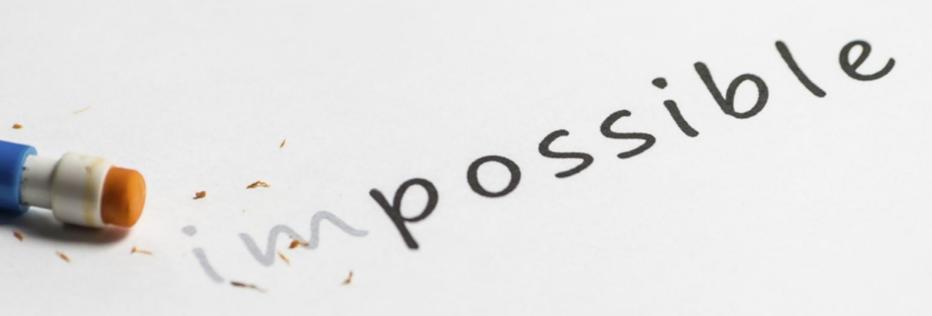

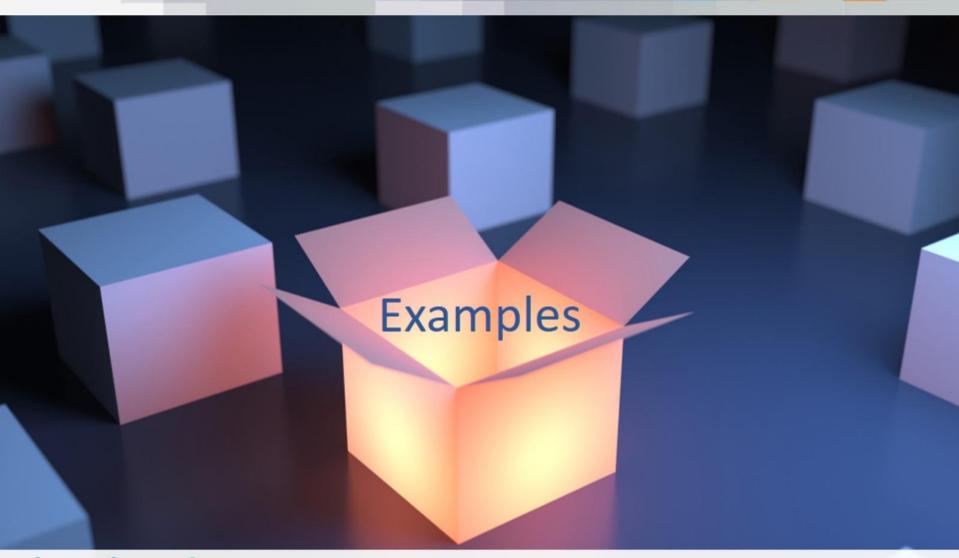

Limit your goals to that which is possible within your timeframe and available resources.
