

PLTW Summit Workshop Worksheet

You can use this offline document to create and organize your workshop session details. If your workshop session is accepted, this information will be publicly available through the PLTW Summit 2022 website and mobile app. You will enter this information into the Call for Proposals Portal. All information submitted is subject to editing.

PLTW is looking for sessions that provide an interactive, robust learning experience for our guests. Please be sure to include in your session submission details about how your session will provide this.

The PLTW Summit 2022 is taking place virtually and in-person at the World Center Marriott Orlando, in Orlando, Florida. You can submit your workshop session proposal as a virtual session, an in-person session, or as both.
