Why this works

Local Indigenous people shape the agenda
– there is no “one size fits all”

malpa

Why this works

Local Indigenous people co-design,
manage & deliver the program

malpa

Why this works

Indigenous and non-Indigenous
young people learn together

malpa

Why this works

Young Doctors learn the Old ways
& New ways of health

malpa

Why this works

Elders are honoured & placed front and centre

malpa

Why this works

The projects are grass roots, bottom up

malpa

Why this works

It's teaching health &
developing leadership locally

malpa

Why this works

Everyone benefits: the young people,
the community, the entire school cohort
