SIEGFRIED KIEFER
Chief Operating Officer, Power & Utilities
ATCO Ltd. & Canadian Utilities Limited

Siegfried Kiefer was appointed Chief Operating Officer, Power & Utilities, ATCO Ltd. & Canadian Utilities Limited, on July 1, 2013.

As Chief Operating Officer, Power & Utilities, Mr. Kiefer oversees the operations of ATCO Gas, ATCO Electric, ATCO Pipelines, ATCO Power, ATCO I-Tek and their subsidiaries. Since 2011, Mr. Kiefer held the title of Chief Operating Officer, Energy & Utilities and he was Managing Director, Utilities Business Group from 2004 to 2011. Mr. Kiefer also held the title of Chief Information Officer for ATCO Group for more than 11 years until late 2009, when the growth of the Utilities companies became his key focus.

Mr. Kiefer's career with ATCO Group began in 1983 after graduating with a Bachelor of Commerce degree from the University of Calgary. He started with Canadian Western Natural Gas as a Financial Analyst, and was appointed to various technical and management roles within Canadian Utilities' Information Services. In 1997, Mr. Kiefer transferred to ATCO Gas Services Ltd., now known as ATCO Energy Solutions, as Manager, Utility Services. One year later, he was appointed Vice President, Information Technology and Chief Information Officer within ATCO Group, and took on the added role as President of ATCO I-Tek in 1999. In July 2000, Mr. Kiefer was appointed Managing Director, Technologies Business Group, ATCO Ltd. & Canadian Utilities Limited, where he oversaw the operations of ATCO I-Tek while retaining the CIO role within ATCO's head office.

He is married to Colleen and they have two children: Stefan and Reagan.
