ADDENDUM

2022 Action Item wc111: Disaffiliation of Local Churches Over Issues of Human Sexuality Under ¶2553 of the 2016 Book of Discipline: Approval Process for the Wisconsin Conference, as approved by the 2022 Wisconsin Annual Conference Session on June 11, 2022.

Editor's note: The following pages contain the text of **2022 Action Item wc111: Disaffiliation of Local Churches Over Issues of Human Sexuality Under ¶2553 of the 2016 Book of Discipline: Approval Process for the Wisconsin Conference**, as it was approved by the 2022 Session of the Wisconsin Annual Conference. **2022 Action Item wc111 is not before the 2023 Annual Conference Session for action. It is provided for reference purposes only.**

In response to seven questions of church law that were posed during the 2022 Annual Conference Session regarding the disaffiliation process outlined in **2022 Action Item wc111**, Bishop Jung issued a Ruling of Law on July 11, 2022. The ruling was reviewed by the Judicial Council of the United Methodist Church, as required by ¶2609.6 of *The 2016 Book of Discipline*.

In **Judicial Council Decision 1459**, issued on February 28, 2023, the Council affirmed the portions of Bishop Jung's decision regarding 5 of the questions of law which referenced steps in the disaffiliation process established by **2022 Action Item wc111** related to local churches. The Judicial Council deferred ruling on two questions of law which referenced Step 7 of the process related to Clergy serving disaffiliating congregations. The Questions of Law and the text of Bishop Jung's ruling are included in the text of **Judicial Council Decision 1459**.

In **Judicial Council Decision 1482**, issued on April 25, 2023, the Council ruled on the two questions of law regarding Step 7 of the disaffiliation process that:

“An annual conference cannot condition the disaffiliation of a local church upon a requirement that the pastor of a withdrawing church make a written statement as to whether he or she desires to remain in the United Methodist Church, retire or surrender their credentials.”

While it was not the intention in **2022 Action Item wc111** to condition disaffiliation of a local church upon the action of the appointed clergy in response to Step 7, the Judicial Council interpreted the way Step 7 was written to mean that. It should also be noted that, by the time the Judicial Council issued **Decision 1482**, the point was moot in relationship to **2022 Action Item wc111**, in that the deadline for Step 7 of the process (December 1, 2022) had already passed.

This summary is not a substitute for the text of **Judicial Council Decisions 1459 and 1482**. The complete text of these Judicial Council Decisions may be found on the Judicial Council's website at:

2022 Action Item wc111: Disaffiliation of Local Churches Over Issues of Human Sexuality Under ¶2553 of the 2016 Book of Discipline: Approval Process for the Wisconsin Conference

Submitted by: Wisconsin Conference Disaffiliation Task Force

Conference Action: Approved; 415 yes, 44 no, 26 abstain

INTRODUCTION

The 2019 Special Session of the General Conference of The United Methodist Church adopted legislation establishing the limited right of a local church to petition its annual conference to disaffiliate from the denomination “for reasons of conscience regarding a change in the requirements and provisions of the *Book of Discipline* related to the practice of homosexuality or the ordination or marriage of self-avowed practicing homosexuals as resolved and adopted by the 2019 General Conference, or the actions or inactions of its annual conference related to these issues which follow.” This limited right, codified as ¶2553 of the *2016 Book of Discipline*, expires December 31, 2023.

Local churches seeking to disaffiliate from The United Methodist Church during this limited time frame are required by ¶2553 to fulfill the financial obligations specified in that paragraph. The 2019 Special Session also adopted ¶1504.23 requiring that a local church changing its relationship with The United Methodist Church shall contribute a withdrawal liability in an amount equal to its pro rata share of any aggregate unfunded pension obligations.

This policy document outlines the terms and conditions by which a local church in the Wisconsin Conference can exercise its right to disaffiliate. The General Council on Finance and Administration has developed a “Standard Form for Disaffiliation Agreements” as required by ¶2553.4a. Judicial Council Decision 1424 affirmed that the Annual Conference has the authority to develop additional procedures and standard terms (which become part of the Disaffiliation Agreement) that are not inconsistent with the minimum standards for disaffiliation required by ¶2553. This document supplements the *Standard Form for Disaffiliation Agreements* and the [Disaffiliation Agreement](#) approved by the October, 2020 Wisconsin Annual Conference Session.

Resources from the Council of Bishops, the North Central Jurisdiction’s College of Bishops, the General Council on Finance and Administration, Wespath (the General Board of Pension and Health Benefits) and other annual conference treasurers and chancellors have informed the work of the Wisconsin Conference Disaffiliation Task Force, which developed this report. The Upper New York and North Texas Conferences provided best practices models which were helpful in developing these materials.

For Your Information:

The following resolution defining specific terms to be included in the **Disaffiliation Agreement Pursuant To ¶ 2553 of the Book of Discipline as Approved by the 2019 General Conference of The United Methodist Church** was previously adopted by the 2020 Session of the Wisconsin Annual Conference. It will be included in all Disaffiliation Agreements.

Be it resolved that the 2020 Session of the Wisconsin Annual Conference of the United Methodist Church, meeting on October 24, 2020 adopts the calculation for unfunded pension obligations of a disaffiliating local church from the Wisconsin Annual Conference of the United Methodist Church to be:

“An amount equal to Local Church’s pro rata share, using the Annual Conference apportionment formula, of Wisconsin Conference’s unfunded pension obligations, based on the Wisconsin Conference’s aggregate funding obligations as determined by Wespath, using market factors similar to a commercial annuity provider. The calculations shall be determined as of the 1st of the month preceding the month in which the church conference to vote on disaffiliation is held. Such calculation shall be incorporated into the Disaffiliation Agreement in accordance with Paragraph 2553 of the Book of Discipline.”

IMPLEMENTATION RESOLUTION:

Whereas the 2019 Special Session of the General Conference of The United Methodist Church adopted legislation (codified in ¶2553 of the *2016 Book of Discipline of The United Methodist Church*) establishing the limited right of a local church to petition its annual conference to disaffiliate from the denomination “for reasons of conscience regarding a change in the requirements and provisions of the *Book of Discipline* related to the practice of homosexuality or the ordination or marriage of self-avowed practicing homosexuals as resolved and adopted by the 2019 General Conference, or the actions or inaction of its annual conference related to these issues which follow”;

Whereas the 2019 Special Session of the General Conference of The United Methodist Church also adopted legislation (codified in ¶1504.23 of the *Discipline*) which stipulates that a local church changing its relationship with The United Methodist Church shall contribute a withdrawal liability in an amount equal to its pro rata share of any aggregate unfunded pension obligations;

Whereas the General Council on Finance and Administration has prepared a “Standard Form for Disaffiliation Agreements” as required by ¶2553;

Whereas Judicial Council Decision 1424 affirmed that the Annual Conference has the authority to develop additional procedures and standard terms that are not inconsistent with the standards for disaffiliation established by the General Conference in ¶2553;

Whereas after the Local Church has voted to disaffiliate and the Local Church has negotiated the Disaffiliation Agreement with the Conference Board of Trustees, the disaffiliation shall be “ratified by a simple majority of the members...present and voting” at a duly-called session of the Annual Conference, as required by Judicial Council Decision 1379 and ¶ 2529.1_b_ (3);

Therefore be it resolved that the 2022 Session of the Wisconsin Annual Conference adopts the following additional terms, conditions, and procedures which will be included in the disaffiliation process for any United Methodist Church in the Wisconsin Annual Conference that formally requests disaffiliation from The United Methodist Church:

1: Eligibility:

To exercise the limited right established in ¶2553 of the 2016 Book of Discipline to disaffiliate from The United Methodist Church a congregation (“Local Church”) must submit in writing to the Conference Board of Trustees, through the Wisconsin Conference Disaffiliation Coordinator, its detailed reasons of conscience justifying its disaffiliation due to:

- a. “change[s] in the requirements or provisions of the Book of Discipline related to the practice of homosexuality or the ordination or marriage of self-avowed practicing homosexuals as resolved and adopted by the 2019 General Conference” or
- b. “the actions or inactions of its annual conference related to these issues....”

The written statement must explain how the current *Discipline* or actions or inactions of the Annual Conference have affected the mission and unity of the congregation and how this has led to the congregation’s request to disaffiliate or separate.

Once in receipt of the congregation’s written statement, the Conference Board of Trustees, in consultation with the Bishop and Cabinet, will determine if the stated reasons of conscience meet these criteria and inform the congregation of the Board’s decision within 30 days.

2: Conference Disaffiliation Discernment Team

The Wisconsin Annual Conference establishes a Conference Disaffiliation Discernment Team to provide support to the District Superintendent and information to local churches which are exploring disaffiliation. A pool of up to 20 clergy and laity will be named to the Conference Disaffiliation Discernment Team by the Bishop. One lay and one clergy member of the Conference Disaffiliation Discernment Team will accompany the District Superintendent to meetings with the congregation and/or its leadership.

3: Additional Terms and Conditions

At least two weeks prior to the opening of the Annual Conference session at which a disaffiliation request is considered, the disaffiliating local church must submit to the conference treasurer payment in full for the following items:

- a) Amount due for any unpaid apportionments from the previous twelve (12) months
- b) Amount due for an additional twelve (12) months of apportionments
- c) Local church’s pro rata share of the annual conference’s unfunded pension liabilities
- d) Other outstanding debt owed to the conference
- e) Payment into an escrow account established by the Annual Conference to cover annual conference legal expenses related to the disaffiliation. The amount to be placed in escrow will be determined at the same time the Unfunded Pension Liability amount is determined and disclosed to the congregation at that time. Any unused funds remaining in the escrow account will be refunded to the congregation after the disaffiliation has been completed.

The amount for unpaid apportionments from the previous twelve (12) months (Item “a” above) and the amount due for an additional twelve (12) months of apportionments (Item “b” above) shall be calculated based on the first of the month preceding the month in which the Annual Conference vote takes place.

Payment for all amounts identified above *must be received* by the Annual Conference Treasurer *no later than two weeks prior to the opening of the Annual Conference Session at which the Conference vote on disaffiliation takes place.*

4: Process

The decision to disaffiliate from the denomination is solemn and consequential; as such, the process to be followed must be careful, thoughtful, respectful and prayerful. The importance of clear communication, broad involvement, and diligent implementation is paramount. The 2022 Session of the Wisconsin Annual Conference therefore establishes the following processes and procedures for Disaffiliation Requests to be considered at the 2023 Session of the Wisconsin Annual Conference.

Unless otherwise noted below, all correspondence, forms, and supporting documentation required at any step in this process are to be submitted to:

Wisconsin Conference Disaffiliation Coordinator
750 Windsor Street
Sun Prairie, WI 53590

Forms, correspondence and some supporting information may be submitted to the Wisconsin Conference Disaffiliation Coordinator by email at disaffiliation@wisconsinumc.org.

Whether submitted via USPS or other delivery service, or by email, all requests and materials will be forwarded by the Wisconsin Conference Disaffiliation Coordinator to the appropriate District Superintendent and/or other conference leaders for follow up.

Details regarding submission of materials will be included on or with the application forms and supporting materials, which will be provided to local churches that express an interest in disaffiliation as described in Item 1 below.

No disaffiliation requests or materials will be accepted prior to July 1, 2022.

Detailed Process Steps for Disaffiliation From The United Methodist Church in the Wisconsin Annual Conference

1. *Initial conversation:* When a) a District Superintendent learns that a local church is interested in and meets the criteria for disaffiliation under ¶2553 or b) local church leadership inquires, for example, about disaffiliation, information about the Global Methodist Church, another evangelical denomination, or independent status, the District Superintendent will communicate with the pastor and/or lay leadership and offer to come for a meeting to share the process. The initial contact/inquiry must come from at least one of the following: pastor; lay leader; or council/board chair *no later than September 1, 2022*.
2. *Initial meeting with Local Church Leadership:* *No later than October 1, 2022*, the District Superintendent and members of the Conference Disaffiliation Discernment Team will meet with local church leadership to listen to their concerns, to share about the identity and the “value” of the Wisconsin Conference, and to share about the disaffiliation process. The Disaffiliation Discernment Team will come to the meeting with an estimated payment amount per the required terms.
3. *Follow up conversation with the pastor:* Around the same time the initial meeting with church leadership takes place, *but no later than December 1, 2022*, the District Superintendent will also have an informal conversation with the pastor to discern where the pastor is in his/her alignment with the congregation’s desires, his/her leadership role in the departure process, and the implications of the church’s decision on his/her future in ministry.
4. *Period of Discernment:* To avoid rash decisions and to ensure fully informed decisions are made, there will be a minimum two-month Discernment Period following the “Initial Meeting with Local Church Leadership” before moving forward with the disaffiliation process. During that two-month period the Conference Disaffiliation Discernment Team will hold at least one follow up meeting to which all professing members of the local church will be invited to listen further, answer questions that have emerged, and to continue discerning if the local church desires to move forward with the disaffiliation process.

- a. “change[s] in the requirements or provisions of the *Book of Discipline* related to the practice of homosexuality or the ordination or marriage of self-avowed practicing homosexuals as resolved and adopted by the 2019 General Conference” or
- b. “the actions or inactions of its annual conference related to these issues....”

The statement must explain how the current *Discipline* or actions or inactions of the annual conference have affected the mission and unity of the congregation and how this has led to the congregation’s request to disaffiliate. The local church shall identify any contemporaneous evidence supporting its explanation, such as meeting minutes, public statements of its members, or results of surveys taken of members. 6. *Determination of Eligibility for Disaffiliation under ¶2553*: The Conference Board of Trustees, in consultation with the Extended Cabinet, will review the “*Local Church Request to Explore Disaffiliation under ¶2553*” application and notify the local church *within 30 days of receipt* of the application whether or not it meets the requirement for disaffiliation of ¶2553.1.
