

MONDAY 18 OCTOBER	
7.30am - 9.00am	Registration Opens
Opening Ceremony and Gollow Lecture <i>Supported by the Australian Government Department of Health and Ageing</i>	
9.00am - 10.30am	Bayside Auditorium A Chairs: Richard Hillman and Anne Robertson
9.00am - 9.05am	Welcome to the Country, Allen Madden, Cultural Education Representative, Metropolitan Local Aboriginal Land Council, NSW, Australia
9.05am - 9.10am	Opening address by Her Excellency Ms Quentin Bryce AC, Governor-General of the Commonwealth of Australia
9.10am - 9.15am	Opening address by Dr Kerry Chant, Chief Health Officer for NSW, National Health and Medical Research Council
9.15am - 9.20am	Introduction by Convenor of the 2010 Sexual Health Conference Committee, Richard Hillman
9.20am - 9.25am	Anne Robertson, President, Australasian Chapter of Sexual Health Medicine Welcome to the Conference and Introduction of the Gollow Lecturer
9.25am - 10.20am	Gollow Lecturer: Michael Kidd, Executive Dean of Health, Flinders University, South Australia and Chair of the Australian Government's Ministerial Advisory Committee on Blood Borne Viruses and Sexually Transmissible Infections, South Australia, Australia Challenges for Sexual Health Medicine
10.20am - 11.00am	Morning Tea in Exhibition and Poster Area, Bayside Grand Hall
Plenary: The Fruits of Desire	
11.00am - 12.30pm	Bayside Auditorium A Chairs: Richard Hillman and Catriona Ooi
11.00am - 11.45am	Graham Hart, Head of Research Department, Director, Centre for Sexual Health & HIV Research, University College London, United Kingdom STI & HIV Prevention for Improved Population Sexual Health: Challenges & Future Directions
11.45am - 12.30pm	Jorgen Jensen, Head, Mycoplasma Laboratory, Statens Serum Institute, Copenhagen, Denmark <i>Mycoplasma Genitalium: New Frontiers and Emerging Challenges</i>

Satellite Symposium: A new five year research initiative on the transmission, control and outcomes of sexually transmitted infections		Bayside Gallery A	
12.30pm - 1.30pm	Lunch in Exhibition and Poster Area, Bayside Grand Hall Poster Themes: Prevention & Epidemiology and Other	12.35 - 1.15pm	<p>John Kaldor - Overview of program grant structure and activities</p> <p>Andrew Grulich - SPANC: The study of prevention of anal cancer</p> <p>David Regan - Modelling STI control and prevention strategies in Australian populations</p> <p>Jimmy Twin - How does one determine the most appropriate specimen for attributing causality in a disease?</p> <p>Rebecca Guy - Point of care diagnostic tests to improve the uptake of treatment for bacterial sexually transmitted infections</p> <p>Catriona Bradshaw - Bacterial vaginosis studies</p> <p>James Ward - STRIVE: A community randomised trial of clinical strategies to control the prevalence of sexually transmitted infection in remote communities</p>
1.30pm - 3.00pm	Proffered Paper Session: Burning Desires Bayside Auditorium A Chairs: Marcus Chen and Kym Collins	1.30pm - 3.00pm	<p>Proffered Paper Session: Sharing Desire Bayside Gallery B Chairs: Juliet Richters and Deborah Bateson</p>
1.30pm - 2.00pm	Guy R and Kong F - Chlamydia testing and positivity at general practice and sexual health services across Australia- the ACCESS system	1.30pm - 1.45pm	Bourne C - Partner notification in the 21st century: How do people really do it?
2.00pm - 2.15pm	Templeton D - Prevalence and predictors of chlamydia co-infection among gonorrhoea-infected patients attending a metropolitan sexual health clinic	1.45pm - 2.00pm	Birukila GJ - HIV related sexual knowledge, behaviours and attitudes among African migrants and refugees in Christchurch, New Zealand
2.15pm - 2.30pm	Twin J - <i>Chlamydia trachomatis</i> genotypes based on clinical samples collected from men who have sex with men in Melbourne and Sydney	2.00pm - 2.15pm	Fairly C - The job satisfaction of female sex workers working in licensed brothels in Victoria, Australia
		2.15pm - 2.30pm	Read P - Unprotected fellatio between sex workers and clients: Is it a problem?
		1.30pm - 3.00pm	<p>Proffered Paper Session: Desire in the Bush Bayside Gallery A Chairs: Linda Garton and Jo-ann Lenton</p>
		1.30pm - 1.45pm	Rumbold A - Assessing rates of vulval cancer in Arnhem Land and the association with HPV
		1.45pm - 2.00pm	Goller J - A snapshot of chlamydia testing and positivity in eight Aboriginal community controlled health services: Useful information for local quality improvement
		2.00pm - 2.15pm	Banik B - Rural young men's sexual health is this a missed opportunity in rural health services in Australia?
		2.15pm - 2.30pm	Kwan K - Declining gonorrhoea in the Western Australian Aboriginal populations can it be sustained?

2.30pm - 2.45pm	Bissessor M - Poor sensitivity of culture for detection of neisseria gonorrhoeae in pharynx and rectum	2.30pm - 2.45pm	Smith A - Using social network analysis to locate risky sexual practices in the gay community	2.30pm - 2.45pm	Silver B - How is pelvic inflammatory disease being managed in remote Central Australian primary health care centres?
2.45pm - 3.00pm	* Drummond F - Is azithromycin effective for asymptomatic rectal chlamydia in men? An audit	2.45pm - 3.00pm	Bradshaw C - The women on women's (WOW) health study: Behavioural factors associated with Bacterial Vaginosis (BV) in women who have sex with women (WSW)	2.45pm - 3.00pm	Ryder N - Remoteness is the strongest predictor of <i>trichomonas vaginalis</i> infection in rural and remote New South Wales
3.00pm - 3.30pm	Afternoon Tea in Exhibition and Poster Area, Bayside Grand Hall				
3.30pm - 5.00pm	Symposium: The Business of Desire	3.30pm - 5.00pm	Symposium: Diversity of Desire	3.30pm - 5.00pm	Symposium: Challenges to Desire
	Bayside Auditorium A Chairs: Anna McNulty and Kylie Tattersall		Bayside Gallery B Chairs: Mitchell Smith and Tadgh McMahon		Bayside Gallery A Chairs: Katherine Brown and Jackie Hilton
3.30pm - 3.50pm	Victor Minichello, Pro Vice Chancellor and Dean, Faculty of the Professions, University of New England, NSW, Australia The male sex industry: State of affairs	3.30pm - 3.55pm	Jill Benson, Director, Health in Human Diversity Unit, Discipline of General Practice, University of Adelaide, SA, Australia Refugee populations and sexual health	3.30pm - 3.50pm	Lesley Yee, Sexual Health Physician, The Australian Centre for Sexual Health, NSW, Australia Low libido/HSDD in women
3.50pm - 4.10pm	Kath Albury, ARC Postdoctoral Fellow, Journalism and Media Research Centre, University of New South Wales, NSW, Australia Pornography in Australia	3.55pm - 4.20pm	Henrike Korner, Senior Research Fellow, National Centre In HIV Social Research, NSW, Australia Structural and cultural issues associated with HIV risk and protection among people from culturally and linguistically diverse (CALD) backgrounds	3.50pm - 4.10pm	Catherine Drummond, Dermatologist, Canberra Hospital, Skin and Cancer Foundation, Darlinghurst, NSW, Australia Painful vulval dermatoses

4.10pm - 4.30pm	Basil Donovan, Professor Sexual Health, Head, Sexual Health Program, National Centre in HIV Epidemiology and Clinical Research, NSW, Australia Female sex workers in Asia and the Pacific region	4.20pm - 4.45pm	Sahba Clara Delshad, Senior Health Promotion Officer (CALD), Family Planning NSW, NSW, Australia Sexual health promotion among CALD communities	4.10pm - 4.30pm	Jenny Bradford, Obstetrician Gynaecologist, University of Western Sydney, NSW, Australia Vulval pain and the management of Vaginismus
4.30pm - 4.50pm	Lisa Maher, Professor, Program Head and NHMRC Senior Research Fellow, National Centre in HIV Epidemiology and Clinical Research, NSW, Australia Sex/drug synergies and the street sex work environment	4.45pm - 5.00pm	Discussion	4.30pm - 4.45pm	Richters J - Measuring desire: Labelling and conceptual frameworks for sexual difficulties, problems and dysfunctions
4.50pm - 5.00pm	Discussion			4.45pm - 5.00pm	Discussion
5.00pm - 6.30pm	Welcome Reception & Poster Viewing Evening, Bayside Grand Hall				
5.30pm - 6.00pm	Beer & Bull: Meet the Experts, Stage Area, Bayside Grand Hall				
7.00pm	AChSHM Trainee Dinner, Sponsored by Novartis				
<i>* Eligible for the Jan Edwards Prize, Sponsored by Novartis</i>					

TUESDAY 19 OCTOBER	
7.00am	Registration
FAMSACA Breakfast Meeting: Case Presentations and Discussion	
Bayside Gallery A	
7.30am - 9.00am	Maria Nittis/Mandy Ashton: 'Where did that come from' Catherine Sansum: 'What to believe and what to do when we don't' Alanah Houston: 'Is twice just bad luck?' Cassandra Beaumont: 'Fed up with follow-up'
9.00am - 10.30am	Plenary: Young and Desirable <i>Supported by the Department of Health Victoria</i> Bayside Auditorium A Chairs: Melissa Kang and Brandon Bear
9.00am - 9.45am	Lynne Hillier, Associate Professor, Australian Research Centre in Sex, Health and Society, La Trobe University, VIC, Australia 'When young hearts flutter' - Practices of desire and care of the self in adolescence
9.45am - 10.30am	Douglas Kirby, Senior Research Assistant, ETR Associates Program Division, California, USA The evidence behind why sex education improves sexual health outcomes
10.30am - 11.00am	Morning Tea in Exhibition and Poster Area, Bayside Grand Hall

Symposium: Promoting Desire		Symposium: Safe Harbours		Symposium: Unwanted Desires	
11.00am - 12.30pm	Bayside Auditorium A Chairs: Barry Edwards and Lynne Martin	11.00am - 12.30pm	Bayside Gallery B Chairs: Lynne Wray and Rosalind Foster	11.00am - 12.30pm	Bayside Gallery A Chairs: Katherine Brown and Sarah Martin
11.00am - 11.20am	Juliet Richters, Associate Professor in Sexual Health, School of Public Health and Community Medicine, University of New South Wales, NSW, Australia What do Australians know and understand about chlamydia? The social aspects	11.00am - 11.20am	Christine Read, Sexual Health Physician, Consultant in Family Planning, Reproductive and Sexual Health, NSW, Australia Contraceptive Conundrums	11.00am - 11.20am	Angela Williams, Forensic Physician, Victorian Institute of Forensic Medicine, VIC, Australia Sexual Assault – Is it our problem?
11.20am - 11.40am	Julia Purchas, Health Promotion Manager, HIV/AIDS & Related Programs Unit, SESIAHS, NSW, Australia; and Kellie Checkly, Executive Officer, Shire Wide Youth Services, Miranda, NSW Australia Evaluation of a Health Promotion approach - Youth peer education	11.20am - 11.40am	Anna McNulty, Director, Sydney Sexual Health Centre, NSW, Australia Contact tracing: Ways to do it	11.20am - 11.40am	Michele Franco, Group Manager, Sexual Assault Laboratory, Department of Analytical Laboratories, NSW, Australia and Maria Nittis, Staff Specialist, Forensic Medical Unit, Westmead Hospital, NSW, Australia Forensic Specimens- How to take them
11.40am - 12.00pm	Sue Laing, Senior Policy and Planning Officer (HIV), Sexual Health & Blood-borne Virus Program, Communicable Disease Control Directorate, Department of Health Western Australia, WA, Australia Social marketing as a health promotion tool for Chlamydia prevention and testing	11.40am - 12.00pm	Caroline de Costa, Professor of Obstetrics and Gynaecology and Director of the Clinical School, James Cook University School of Medicine, QLD, Australia Abortion in Australia	11.40am - 12.00pm	Julie Blyth, Counsellor and Educator, Northern Sydney Sexual Assault Service and Alison Horsley, Counsellor, Northern Sydney Sexual Assault Service, NSW, Australia Work with adult survivors of sexual assault
12.00pm - 12.30pm	Panel Discussion: - Melissa Kang, Senior Lecturer, Department of General Practice, The University of Sydney at Westmead Hospital, NSW, Australia - Victor Tawil, Senior Policy Analyst, Aboriginal Access, AIDS/Infectious Diseases Branch, NSW Department of Health, NSW, Australia - Philippe Adam, Senior Research Fellow, National Centre in HIV Social Research, NSW, Australia and Juliet Richters, Julia Purchas, Kellie Checkly	12.00pm - 12.20pm	Deborah Bateson, Medical Director, Family Planning NSW, NSW, Australia Sex and the internet: When online becomes offline! Discussion	12.00pm - 12.15pm	Templeton D - Prevalence, incidence and predictors of sexual assault in the community-based HIM cohort of Sydney homosexual men Discussion

12.30pm - 1.30pm		Lunch in Exhibition and Poster Area, Bayside Grand Hall Poster Themes: Laboratory & Diagnostics and Social Research				
1.30pm - 3.00pm		Proffered Paper Session: Dysplastic Desires	1.30pm - 3.00pm	Proffered Paper Session: Mixed Desires	1.30pm - 3.00pm	Proffered Paper Session: Emerging Desires
1.30pm - 1.45pm	1.45pm - 2.00pm	2.00pm - 2.15pm	2.15pm - 2.30pm	2.30pm - 2.45pm	2.45pm - 3.00pm	3.00pm - 3.30pm
Bayside Auditorium A Chair: David Templeton		Bayside Gallery B Chairs: Fraser Drummond and Kym Collins		Bayside Gallery A Chairs: Rachel Skinner and Liz Story		
Read T - Oropharyngeal Human Papillomavirus (HPV) prevalence and risk factors in men having sex with men (MSM)		Bourne C - SMS reminders increase HIV/STI re-testing rates among men who have sex with men at Sydney Sexual Health Centre		Bernard D - Just signed factors influencing decision making for school-based HPV vaccination in Australia		
Botes L - Anal cytology: A poor predictor of severe anal dysplasia in HIV positive men who have sex with men (MSM)		Brown K - Forensic photography the current state of play for sexual assault examiners in Australia		Ward J - The use of health services for STIs and BBVs among NSW aboriginal people aged 16-30		
Grulich A - Increasing burden and geographical clustering of HPV-associated anal cancer in Australia		Bradshaw C - The effectiveness of 1g of azithromycin for <i>mycoplasma genitalium</i> infections: A five year review		Bowring A - Home-based chlamydia testing of young people attending a music festival who will pee and post?		
Donovan B - A national program with a national impact: Quadrivalent HPV vaccination and genital warts in Australia		Bissessor M - Use of a computer alert and increased testing of high risk men who have sex with men for syphilis within a sexual health service		Nguyen P - Going where the people are: Reaching young people and MSM for sexual health promotion via social networking sites		
Fox C - Knowledge and attitudes of HPV and HPV vaccination among a sample of young rural women		Wray L - Low yield of anogenital examination among asymptomatic clients of an urban sexual health clinic		Walker J - The incidence of genital <i>chlamydia trachomatis</i> and <i>mycoplasma genitalium</i> in a cohort of young Australian women		
Hillman R - The detection of human papillomavirus genotypes in anal cancer biopsy specimens from Sydney		* Shields M - Evaluation of treponema PCR in the diagnosis of early syphilis		Moghbelpour N - Sexual health education for culturally and linguistically diverse (CALD) youth		
Afternoon Tea in Exhibition and Poster Area, Bayside Grand Hall						
* Eligible for the Jan Edwards Prize. Sponsored by Novartis						

Symposium: Navigating Desires		Symposium: Investigating Desires		Symposium: Understanding Desires	
3.30pm - 5.00pm	Bayside Auditorium A Chairs: Brandon Bear and Douglas Kirby Spring Cooper, Senior Research Officer; and Rachel Skinner, Senior Lecturer, Paediatrics & Child Health; University of Sydney, The Children's Hospital at Westmead, NSW, Australia 'I know the V stands for vaccination': Adolescents' understandings about the HPV vaccine	3.30pm - 5.00pm	Bayside Gallery B Chair: Richard Hillman Jorgen Jensen, Mycoplasma Laboratory, Statens Serum Institute, Copenhagen, Denmark Key diagnostic challenges facing our understanding of the roles of Ureaplasmas in male urethritis	3.30pm - 5.00pm	Bayside Gallery A Chairs: Damian Conway and Nathan Ryder Erica Stead, Program Development Coordinator, The College of Nursing, NSW, Australia Online learning: A view from the trenches
3.30pm - 3.50pm		3.30pm - 3.50pm		3.30pm - 3.50pm	
3.50pm - 4.10pm	Lynne Hillier, Associate Professor, Australian Research Centre in Sex, Health and Society, La Trobe University, Victoria, Australia 'I first realised when.....': same sex attracted young people talk about their first realisations of sexual difference	3.50pm - 4.10pm	Michelle McKechnie, PhD Scholar, Sexually Transmitted Infections Research Centre, Sydney University, NSW, Australia The role of multiplex PCR in the diagnosis of STIs	3.50pm - 4.10pm	Adrian Mindel, Professor of Sexual Health Medicine, University of Sydney, Director, STI Research Centre, Marian Villa, Westmead Hospital, NSW, Australia How to read a scientific paper
4.10pm - 4.30pm	Tiffany Dunk, Editor, <i>Dolly Magazine</i> , Australia Sex education and the world of teen magazines	4.10pm - 4.30pm	Lyn Gilbert, Professor, Director, Centre for Infectious Diseases & Microbiology, Westmead Hospital, NSW, Australia Contribution of PCR to diagnosis of syphilis?	4.10pm - 4.30pm	Steve Lambert, HIV & HCV Education Projects, School of Medicine, The University of Queensland, QLD, Australia Public speaking – how to engage your audience
4.30pm - 5.00pm	Panel Discussion: Brandon Bear, Health Division Team Leader, Youth Accommodation Association NSW, NSW, Australia; Douglas Kirby, Senior Research Assistant, ETR Associates Program Division, California, USA; Spring Cooper; Rachel Skinner; Lynne Hillier and Tiffany Dunk	4.30pm - 4.50pm	David Whiley, Queensland Paediatric Infectious Diseases Laboratory, Sir Albert Sakzewski Virus Research Centre, Royal Children's Hospital and Health Service District, QLD, Australia Increasing use of gonococcal PCR and the tracking of resistance	4.30pm - 4.45pm	Crouch S - The national sexually transmissible infections prevention program: An evaluation of supporting materials for general practitioners
5.15pm - 6.30pm	AChSHM Annual Meeting Bayside Gallery A (Refreshments will be served from 5.00pm)	4.50pm - 5.00pm	Discussion	4.45pm - 5.00pm	Tilley D-STI (Superhighway Transmitted Information): A new approach to professional development
6.30pm	Free Evening				

WEDNESDAY 20 OCTOBER	
7.30am	Registration
Sexual Health Trainee Case Presentation Breakfast	
7.30am - 9.00am	Bayside Gallery B Chair: Fraser Drummond Panel: Frank Bowden, Lewis Marshall and Lynne Wray
7.30am - 8.00am	Carole Khaw - "Why am I deaf, doc?" - An interesting case of syphilis and HIV co-infection
8.00am - 8.30am	Rohan Bopage - Recurrent vulval ulcerations following urti: Case of lipschutz ulcers
8.30am - 9.00am	Kym Collins - A Trifecta
HIV/AIDS Conference Opening Ceremony and Joint Conference Plenary	
8.30am - 10.00am	Bayside Auditorium A Chairs: Greg Dore and Sean Emery
8.30am - 8.35am	Welcome to the Land, Allan Madden, Cultural Education Representative, Metropolitan Local Aboriginal Land Council, NSW, Australia
8.35am - 8.40am	Welcome by ASHM President, Professor Greg Dore, Viral Hepatitis Clinical Research Program, National Centre in HIV Epidemiology and Clinical Research, The University of New South Wales, Sydney; Infectious Diseases Physician, St Vincent's Hospital, Sydney, NSW Australia
8.40am - 8.45am	Welcome by Government Representative
8.45am - 8.50am	Welcome by Kerry Chant, A/Associate Director, AIDS/Infectious Diseases Branch, NSW Department of Health, Sydney, NSW, Australia
8.50am - 8.55am	Welcome by Don Baxter, Executive Director, Australian Federation of AIDS Organisations, Sydney, NSW, Australia
8.55am - 9.00am	Welcome by Robert Mitchell, President, NAPWA, Sydney, NSW, Australia
9.00am - 9.05am	Welcome by the Conference Convenor, Sean Emery, National Centre in HIV Epidemiology & Clinical Research, NSW, Australia
9.05am - 9.30am	Cal Cohen, Research Director of Community Research Initiative of New England and Harvard Vanguard Medical Associates, United States of America State of ART therapy, new drugs & new treatment issues
9.30am - 10.00am	Graham Hart, Head of Research Department, Director, Centre for Sexual Health & HIV Research, University College London, United Kingdom Can HIV treatment stop the AIDS epidemic?

10.00am - 11.00am	Morning Tea in Exhibition and Poster Area, Bayside Grand Hall			
10.00am - 11.00am	Ngarra Exhibition, Bayside 103 & 104			
10.10am - 10.50am	NCHECR Surveillance Launch, Bayside Gallery A			
11.00am - 12.30pm	Joint Symposium: Instant Desire	11.00am - 12.30pm	Joint Symposium: Desirable Men	HIV/AIDS Conference Theme D: Integrating International and National Policies and Programs
	Bayside Auditorium A Chairs: Fraser Drummond and Rebecca Guy		Bayside Gallery B Chairs: Garrett Prestage and David Templeton	Bayside Gallery A Chairs: Heather Worth and Richard Fray
11.00am - 11.20am	David Anderson, Deputy Director and Head, Business Development of the Burnet Institute NHMRC SRF, VIC, Australia	11.00am - 11.20am	David Wilson, Associate Professor, Head, Surveillance and Evaluation Program for Public Health, National Centre in HIV Epidemiology & Clinical Research, NSW, Australia	Alan Whiteside, Director and Professor, Health Economics and HIV/AIDS Research Division (HEARD), University of KwaZulu-Natal, Durban, South Africa
	STI point of care tests: Performance and how they are used in developed and developing countries		STI Modelling and Syphilis Modelling	Looking to the future: learning from the Past
11.20am - 11.40am	Philip Cunningham, Senior Scientist and Operations Manager, NSW State Reference Laboratory, St Vincent's, NSW, Australia	11.20am - 11.40am	Chris Bourne, Head, NSW STI Programs Unit, Sydney Sexual Health Centre, NSW, Australia	Mackay T - Integrating bilateral HIV assistance with national development budgeting and planning frameworks
	HIV point of care tests: Performance, how they are used in developed and developing countries, regulatory perspective		Implementation of the National Gay Men's Syphilis Action Plan	

11.40am - 12.30pm	<p>Panel Presentations and Panel Discussion</p> <ul style="list-style-type: none"> • Kit Fairley, Director, Melbourne Sexual Health Centre, VIC, Australia • Philip Keen, Health Promotion Officer, Australian Federation of AIDS Organisations, NSW, Australia • Rae-Lin Huang, Nganampa Health Council, NT, Australia • Jane Hocking, Centre for Women's Health, Gender & Society, University of Melbourne, VIC, Australia • Phillip Cunningham • David Anderson 	11.40am - 12.00pm	<p>Joel Palefsky, Professor of Medicine, School of Medicine, University of California, San Francisco, United States of America</p> <p>HPV quadrivalent vaccine in prevention of anal dysplasia</p>	11.30am - 11.45am	Nasir S - Socio-economic deprivation, local construct of masculinity and HIV-risk practices among young male injecting drug users in a slum area (Torong) in Makassar, Indonesia
11.40am - 12.30pm		12.00pm - 12.20pm	<p>John De Wit, Professor, Director, National Centre in HIV Social Research, NSW, Australia</p> <p>Strengthening STI/HIV prevention - Promising new models of service delivery</p>	11.45am - 12.00pm	Reis E - Queuing for money and queuing for drugs: Why are international HIV programs faltering?
12.20pm - 12.30pm		12.20pm - 12.30pm	Discussion	12.00pm - 12.15pm	Sergeant J - A changing epidemic? HIV and Sub-Saharan Africans in Australia
Lunch in Exhibition and Poster Area, Bayside Grand Hall					
Poster Themes: Clinical and HIV					
12.30pm - 1.30pm					
Ngarra Exhibition, Bayside 103 & 104					
ASHM AGM, Bayside Gallery A					

1.30pm - 3.00pm	Joint Symposium: Aboriginal and Torres Strait Islander Health Bayside Auditorium A Chairs: Cathy Pell and Peter Patterson	1.30pm - 3.00pm	Joint Symposium: Political, Cultural and Logistic Realities of Microbicides for Australasia and the Pacific Bayside Gallery B Chairs: Jim Pickett and Stuart Turville	1.30pm - 3.00pm	HIV/AIDS Conference Theme B Proffered Paper Session: Adherence, Treatment and Workforce Issues Bayside Gallery A Chair: Jo Watson
1.30pm - 1.40pm	Simon Graham, Research Manager, Aboriginal and Torres Strait Islander Health Program, National Centre in HIV Epidemiology & Clinical Research, NSW, Australia Trends of Chlamydia and Gonorrhoea in the Aboriginal and Torres Strait Islander Population, 2001-2009	1.30pm - 1.48pm	John Kaldor, Professor, National Centre in HIV Epidemiology and Clinical Research, NSW, Australia Recent microbicide clinical trials and trials expected to report in the near future	1.30pm - 1.45pm	Paxton S - Challenges to women's lifelong access to ARVs
1.40pm - 1.50pm	Jan Savage, Senior Policy Officer, Australasian Society for HIV Medicine, VIC, Australia Review of the evidence for the effectiveness and cultural acceptability of sexual and reproductive health programs for Aboriginal Adolescents in NSW	1.48pm - 2.06pm	Christopher McConville, Senior Lecturer In Pharmaceuticals, Curtin University, WA, Australia Antiretroviral based microbicides and vaginal rings	1.45pm - 2.00pm	Ankus J - Collaboration for health in Papua New Guinea (CHPNG) - Australasian Society for HIV Medicine (ASHM) clinical mentoring program
1.50pm - 2.00pm	James Ward, Program Head, Senior Lecturer, Aboriginal and Torres Strait Islander Health Program, National Centre in HIV Epidemiology & Clinical Research, NSW, Australia Understanding epidemiology of Chlamydia related to Aboriginal and Torres Strait Islander People: First results from the ACCESS network project	2.06pm - 2.18pm	Patricia Fagan, Public Health Physician-Sexual Health, Cairns Public Health Unit, QLD, Australia Political cultural and logistic realities of microbicides for Australasia and the Pacific - a perspective from the Torres Strait	2.00pm - 2.15pm	Tran D - Barriers to antiretroviral treatment in the North Vietnam
2.00pm - 2.10pm	Rebecca Guy, Senior Lecturer , National Centre HIV Epidemiology & Clinical Research, NSW, Australia A good news story in Aboriginal and Torres Strait Islander health: Is it possible to eliminate syphilis?				

2.10pm - 2.20pm	Richard Chenhall, Lecturer, Medical Anthropology, Centre for Health and Society, Melbourne School of Population Health, University of Melbourne, VIC, Australia "Our lives": Socio-cultural influences on the sexual health of Indigenous young people.	2.18pm - 2.30pm	Andrew Vallely, Associate Professor, National Centre in HIV Epidemiology and Clinical Research, NSW, Australia The acceptability of vaginal microbicides in Papua New Guinea: results of a qualitative study among men and women attending an STI clinic in Port Moresby	2.15pm - 2.30pm	Wheeler E - One year on: Interim findings from the 'GP mentoring at the time of HIV diagnosis' project
2.20pm - 2.30pm	David Wilson, Associate Professor, Head, Surveillance and Evaluation Program for Public Health, National Centre in HIV Epidemiology & Clinical Research, NSW, Australia Using mathematical modelling to predict HIV incident cases among Aboriginal and Torres Strait Islander people who inject drugs	2.18pm - 2.42pm	Annemaree O'Keefe, AM, Research Fellow, Lowy Institute for International Policy, NSW, Australia HIV and Microbicides: hindrance or help in addressing gender inequality in the Pacific	2.30pm - 2.45pm	Taing K - Moving from viral suppression to whole patient care: An audit of the clinical management of HIV positive patients in a Queensland clinic
2.30pm - 2.40pm	James Ward, Program Head, Senior Lecturer, Aboriginal and Torres Strait Islander Health Program, National Centre in HIV Epidemiology & Clinical Research, NSW, Australia Trends in newly diagnosed HIV infection in the Aboriginal and Torres Strait Islander and Non-Indigenous populations, 1992 – 2008	2.42pm - 3.00pm	Panel Discussion: Jim Pickett, Andrew Vallely, John Kaldor, Christopher McConville, Trish Fagan and Annemaree O'Keefe	2.45pm - 3.00pm	Discussion
2.40pm - 3.00pm	Discussion				
3.00pm - 3.30pm	Afternoon Tea in Exhibition and Poster Area, Bayside Grand Hall				
	Ngarra Exhibition, Bayside 103 & 104				

Sexual Health Conference Closing and Joint Conference Debate	
Bayside Auditorium A	
Chairs: Andrew Grulich and Anne Robertson	
3.30pm - 5.00pm	<p>Debate: This house believes that STI control should be a priority of HIV prevention programmes</p> <p>For: Catriona Bradshaw, Sexual Health Physician, Melbourne Sexual Health Centre, VIC, Australia Graham Hart, Head of Research Department, Director, Centre for Sexual Health & HIV Research, University College London, United Kingdom</p> <p>Against: Basil Donovan, Professor Sexual Health, Head, Sexual Health Program, National Centre in HIV Epidemiology and Clinical Research, NSW, Australia Jim Pickett, Director, AIDS Foundation of Chicago, United States of America</p>
4.30pm - 4.45pm	Prize Presentations and Closing Remarks by Anne Robertson, President, Australasian Chapter of Sexual Health Medicine
4.45pm - 4.50pm	ASHHNA Nurse Prize Presentations by Donna Tilley, President, ASHNA and Clinical Nurse Consultant, Sydney Sexual Health Centre, NSW, Australia
4.50pm - 5.00pm	Presentation of next year's conference by Frank Bowden and Sarah Martin, Committee Convenors of the 2011 Australasian Sexual Health Conference Committee
ASHNA Annual Meeting, Bayside 102	
7.00pm - 11.00pm	Sexual Health Conference Dinner 'Carnivàle Desires' at Luna Park <i>6.15pm Ferry Departure from Convention Centre Wharf</i>

THURSDAY 21 OCTOBER		
7.00am	Registration	
7.00am - 8.35am	<p>SPONSORED SATELLITE SYMPOSIUM: Sponsored by Gilead A new era – Evidence and choice Guidelines: What are they good for?</p> <p>Bayside Gallery B</p> <p>Chair: Andrew Carr</p>	Arrival Breakfast
7.00am - 7.15am		Arrival Breakfast
7.15am - 7.25am		<p>Andrew Carr, Professor, St Vincent's Hospital, Sydney, NSW, Australia Evidence and choice – a new era</p>
7.25am - 7.45am		<p>David Cooper, Director, National Centre in HIV Epidemiology and Clinical Research, NSW, Australia What was the Panel thinking? Why certain ART regimens are recommended as preferred</p>

	7.45am - 8.05am	<p>Calvin Cohen, Research Director, Community Research Initiative of New England and Clinical Instructor, Harvard Medical School, Boston, USA Finding the right fit: alternative and acceptable preferred first-line regimens</p>
	8.05am - 8.20am	<p>Mark Bloch, Director, Holdsworth House, Sydney, NSW, Australia What are we actually doing? Australian physician adherence to 'what to start' ART guidelines</p>
	8.20am - 8.30am	Panel Discussion
	8.30am - 8.35am	Meeting summary & close

9.00am-10.30am	Re-thinking Prevention Bayside Auditorium A Chairs: Tony Cunningham and Darryl O'Donnell	
9.00am - 9.30am	Mark Feinberg, Vice President, Medical Affairs, Merck Vaccines and Infectious Diseases, United States of America Navigating the Complex Landscape for the Biomedical Prevention of HIV Infection Moving Forward: How can we expedite progress, achieve synergies and maximize impact?	
9.30am - 10.00am	Jim Pickett, Director, AIDS Foundation of Chicago, United States of America Yes, There is a Gay Agenda: The need to reconceptualise HIV prevention in the epidemic's third decade	
10.00am-10.30am	Garrett Prestage, A/Professor, National Centre in HIV Epidemiology and Clinical Research and Australian Research Centre in Sex, Health & Society, NSW, Australia What if we don't like the answer? Making the evidence fit the framework or rethinking the framework.	
10.30am - 11.00am	Morning Tea in Exhibition and Poster Area, Bayside Grand Hall	
11.00am - 12.30pm	Theme B: Co-Morbidities Bayside Auditorium A Chairs: Norman Roth and Sarah Pett	Petoumenos K - Rates of cardiovascular disease following smoking cessation in patients with HIV infection: results from the D:A:D study
	Theme C: Issues in HIV prevention in Gay Men 1 Bayside Gallery B Chairs: Mike Kennedy and Geoff Honnor	Zablotska I - Antiretroviral therapy (ART) as HIV prevention among gay men: Building the evidence base
11.00am - 12.30pm	Theme A Symposium: Translation Bayside Gallery A Chairs: Tony Cunningham and Tony Kelleher	David Anderson, Deputy Director and Head, Business Development of the Burnet Institute NHMRC SRF, VIC, Australia Rapid, immunochromatographic test for measurement of CD4+ T-cells at point-of-care
	Theme D: The Social Dynamics of ART and Bio-medical Prevention Bayside 103 Chairs: Jeanne Ellard and Sue Kippax	Haire B - Power vs protection: Trading standards in prevention trials
11.00am - 12.30pm	11.00am - 12.30pm	SPONSORED SATELLITE SYMPOSIUM by HIV Consortium Has HIV dropped off the global agenda? Key and current issues in promoting an effective HIV response Bayside 104 Chairs: Edward Reis and Alan Whiteside
		Mark Bebbington, Program Director, HIV Consortium for Partnerships in Asia and the Pacific Key and emerging issues for an effective HIV response

11.15am - 11.30am	Cair A - Reduced arterial stiffness and framingham cardiovascular risk score after switching from Abacavir to Tenofovir in men at high cardiovascular risk	11.15am - 11.30am	Bourne C - SMS reminders increase HIV/STI re-testing rates among men who have sex with men at Sydney Sexual Health Centre	11.15am - 11.30am	Stephen Kent, Head, HIV Vaccine laboratory, NHMRC Research Fellow, Department of Microbiology and Immunology, University of Melbourne, VIC, Australia Immune escape from HIV-specific ADCC pressure	11.15am - 11.30am	Luker V - Hypotheticals for PNG: Concurrence and the significance of female-to-male transmission	11.15am - 11.30am	Kemal Siregar, National AIDS Commission, Indonesia Progress and challenges towards achieving Universal Access in Indonesia
11.30am - 11.45am	Puls R - Anthropometric and metabolic outcomes in a 48 week randomized, open-label study of three different combination antiretroviral regimens as initial therapy for HIV infection	11.30am - 11.45am	McGrath P - Self-based rationales are important primary motivators for volunteers in HIV research	11.30am - 11.45am	Patricia Price, Professor, School of Pathology and Laboratory Medicine, University of Western Australia, WA, Australia The incidence, causes and pathogenesis of immune restoration disease manifested as liver enzyme elevation in HIV-HCV co-infected patients in Indonesia	11.30am - 11.45am	Kelly A - Bipo ART mi dai man em mi stap: [before ART] i was a dead man! Wellbeing of people on antiretroviral therapy in Papua New Guinea	11.30am - 11.45am	Heather Worth, International HIV Research Group, University of New South Wales, NSW, Australia HIV as a Crisis in Asia and Pacific: what is the evidence?
11.45am - 12.00pm	Trevillyan J - Predictors of coronary heart disease in HIV positive patients	11.45am - 12.00pm	Stoove M - Infectious syphilis is associated with increased risk of HIV seroconversion in men who have sex with men in Victoria	11.45am - 12.00pm	John Zaunders, Senior Scientist, St Vincent's Centre for Applied Medical Research, St Vincent's Hospital, NSW, Australia Identification, isolation and expansion of antigen specific CD4 T lymphocytes	11.45am - 12.00pm	Shrestha S - I am physically well but still not happy from inside: A study on antiretroviral therapy among the people injecting drugs (PIDS)	11.45am - 12.00pm	Rico Gustav, Treatment Advocacy and Capacity Building Officer, Asia Pacific Network of People with HIV/AIDS (APN+), Bangkok, Thailand PLHIV keeping governments accountable for Universal Access targets

12.00pm - 12.15pm	Price J - Traditional and HIV-related factors of vitamin D insufficiency in Melbourne	12.00pm - 12.15pm	Jin F - Per-contact probability of HIV transmission in homosexual men in Sydney in the era of HAART	12.00pm - 12.15pm	Damian Purcell, Reader In Virology, University of Melbourne, VIC, Australia Potential for bovine colostrum derived neutralizing antibodies to HIV Env gp140 in an HIV microbicide	12.00pm - 12.30pm	Discussion	12.00pm - 12.15pm	Discussion
12.15pm - 12.30pm	Nolan D - Assessing and managing cardiovascular risk and smoking in the Royal Perth Hospital HIV cohort	12.15pm - 12.30pm	Jansson J - Evaluating and forecasting the medical outcomes and geographical distribution of people living with HIV in Australia	12.15pm - 12.30pm	Stuart Turville, Research Fellow, Group Leader, Westmead Millennium Institute, University of Sydney, NSW, Australia Endocytosis as a HIV therapeutic target: Dynamin 2 & HIV entry			12.15pm - 12.30pm	
12.40pm - 1.25pm	Theme B Oral Posters: Co-morbidities and Clinical Monitoring			Theme C Oral Posters: HIV Prevention Issues in Gay Men			Theme D Oral Posters: Stigma and Affected Populations		
	Bayside Gallery B Chair: Kathy Petoumenos	Bayside 103 Chair: Daniel Madeddu						Bayside 104 Chair: TBC	
	Benjamin O - Interferon-gamma and IL-5 production correlate directly in HIV patients co-infected with Mycobacterium Tuberculosis with or without immune restoration disease Carey D - Lipid profiles in HIV-infected adults receiving Atazanavir and Ritonavir in randomised trials: Systematic review and meta-analysis of randomised controlled data Puls R - Two patterns of cerebral metabolite abnormalities are detected on proton magnetic resonance spectroscopy in HIV+ subjects electively commencing art Pett S - Considerations in the rationale, design and methods of the strategic timing of antiretroviral treatment (start) trial McGertigan B - Association between low 25(oh) vitamin D levels, anti-retroviral therapy and metabolic profile in a cohort of treated and therapy naive HIV positive patients in Western Australia Richards D - Clinical audit of physician adherence to national guideline recommendations for cardiovascular disease (cvd) and renal disease screening and risk factor management.		Murray J - Ageing and current antiretroviral levels are insufficient to reduce the number of people living with HIV in Australia for the foreseeable future McDonald A - Use of the bed assay for describing trends in incident HIV infection in Sydney, 2005 - 2009 El-Hayek C - Does using a bed capture enzyme immunoassay test enhance current HIV surveillance practices? Pedrana A - Sexual risk behaviour and knowledge of HIV status among a sample of gay men in Australia. Pierce A - NPEP patients testing positive for HIV at baseline visit and during follow up period						Purwani S - Creating accessible services for idus at community clinics in East Java Morrison E - Harm reduction in an ideal world: Users perspective Hazarika I - Risk factors for HIV-1 infection in India: Evidence from the National Family Health Survey 3 Grimwood A - An evaluation of the impact of a community based adherence support programme on ART outcomes in selected government HIV Riskiyani S - Household support and quality life of people living with HIV and TB
12.30pm - 1.30pm	Lunch in Exhibition and Poster Area, Bayside Grand Hall								

1.30pm - 3.00pm	Theme B: Resistance, Co-infection and Complications of HIV and its Treatment Bayside Auditorium A Chairs: Emanuel Vlahakis	1.30pm - 3.00pm	Theme D Symposium: The Dialogue between Social Science, Public Health and Medicine Bayside Gallery B Facilitator: David Wilson	1.30pm - 3.00pm	Theme C: Emerging Issues in HIV prevention in Australia Bayside Gallery A Chairs: Trish Langdon and Gary Dowsett	1.30pm - 3.00pm	Theme A: Molecular Virology Bayside 103 Chairs: Stuart Turville and John Zaunders	1.30pm - 3.00pm	SPONSORED SATELLITE SYMPOSIUM by Department of Health and Ageing Young People and Youth Participation – A prerequisite for effective HIV and STI prevention Bayside 104 Chairs: Department of Health and Ageing Representative
1.30pm - 1.45pm	Gooley M - Temporal changes in the prevalence of HIV drug resistance mutations and the influence of antiretroviral drug prescribing habits.	1.30pm - 1.40pm	John Kaldor, Professor, National Centre in HIV Epidemiology and Clinical Research, NSW, Australia Interdisciplinary research on HIV prevention: A work in progress	1.30pm - 1.45pm	Brown G - I was not some young tourist: acquisition of HIV among Australian men while travelling and working overseas	1.30pm - 2.00pm	Suzuki K - Sequence specific induction of HIV-1 transcriptional gene silencing targeting NF-kB sequences by siRNA without any off-target effects of other NF-kB driven genes	1.30pm - 1.35pm	Alischa Ross - CEO, YEAH, National HIV Strategy EWRC Youth Representative, VIC, Australia Introduction
1.45pm - 2.00pm	Shalaka N - The characteristics of HIV-positive adults with and without diagnoses of malignancy attending three HIV clinics in Sydney, Australia	1.40pm - 1.50pm	Susan Kippax, PhD, FASSA Professorial Research Fellow Social Policy Research Centre University of New South Wales, NSW, Australia Negotiating Biomedicine: Accommodation or Resistance	1.45pm - 2.00pm	Castley A - Shifting molecular epidemiology of the HIV-1 epidemic in Western Australia over the last decade	1.35pm - 1.55pm	Alischa Ross - CEO, YEAH, National HIV Strategy EWRC Youth Representative, VIC, Australia Focusing on prioritising Young People - the Sixth National HIV Strategy, the Second National STI Strategy & The National STI Prevention Program		

2.00pm - 2.15pm	Puls R - Choice of combination antiretroviral therapy (CART) alters changes in cerebral function testing after 48 weeks in treatment, HIV infected subjects commencing CART: a randomised controlled study	1.50pm - 2.00pm	Roger Garsia, Head Division of Medicine Royal Prince Alfred Hospital and Area Director HIV/AIDS Sydney South West Area Health Service, NSW, Australia Integrating evidence in medical and social sciences	2.00pm - 2.15pm	McMahon T - A review of evidence to guide targeted approaches to HIV/AIDS prevention among immigrants in high-income countries	2.00pm - 2.15pm	Hood C - Promoter-targeted siRNA localises with Argonaute 1 and 2 during RNA-induced transcriptional gene silencing of retroviral infections	1.55pm - 2.20pm	Kat Byron - Agents of YEAH Program Manager, YEAH, VIC, Australia Agents of YEAH – Youth HIV/AIDS and Sexual Health Peer Education and Leadership Program
2.15pm - 2.30pm	Whitfield M-The cutaneous manifestations of the immune reconstitution inflammatory syndrome (iris) associated with HIV infection	2.00pm - 2.15pm	TBC	2.15pm - 2.30pm	Cherry C - The effects of exercise training on metabolic and morphological outcomes for people living with HIV: a systematic review of randomised controlled trials	2.15pm - 2.30pm	Tschochner M - Characterisation of Hepatitis c virus evolution in HIV/HCV coinfecting individuals using deep sequencing technology: Relevance for new antiviral drugs and disease outcome	2.20pm - 2.40pm	Ilana Cooper -YEAH, VIC, Australia Red Aware – The Power of Youth-led HIV/STI Public Awareness Campaigns
2.30pm - 2.45pm	Cysique L - New biomarkers for neurocognitive impairment in older and clinically stable HIV+ individuals	2.15pm - 3.00pm	Discussion	2.30pm - 2.45pm	Sawleshwarkar S - HIV testing in general practice	2.30pm - 2.45pm	La J - Targeting HIV-1 reverse transcriptase using fragment screening	2.40pm - 3.00pm	Facilitated Question and Answer Facilitated by: Alischa Ross
2.45pm - 3.00pm	Limsreng S - The impact of Hepatitis c co-infection with HIV/AIDS in comparing with the mono infection HIV/AIDS in the program Esther, Calmette hospital	2.45pm - 3.00pm	Discussion	2.45pm - 3.00pm	Discussion	2.45pm - 3.00pm	Ebrahimi D - Have apobec3G/F left an evolutionary footprint on HIV-1 genome?		
3.00pm - 3.30pm	Afternoon Tea in Exhibition and Poster Area, Bayside Grand Hall								

3.30pm - 5.00pm	Theme B Symposium: Clinical Management of HIV in Ageing Population Bayside Auditorium A Chairs: Jo Watson and Alan Street	3.30pm - 5.00pm	Theme D: Stigma and Discrimination Bayside Gallery B Chairs: Martin Holt	3.30pm - 5.00pm	Theme C: Regional Issues in HIV Prevention Bayside Gallery A Chairs: John Kaldor and Agnes Mek	3.30pm - 5.00pm	Theme A: Pathogenesis and Immunology Bayside 103 Chairs: Steve Kent and Miles Davenport	3.30pm - 5.00pm	SPONSORED SATELLITE SYMPOSIUM by Department of Health, Victoria A new dawn? - Victoria's response to troubled times Bayside 104 Chairs: Garrett Prestage and Graham Brown
3.30pm - 3.45pm	David Menadue, NAPWA and Board Member, Victorian AIDS Council/Gay Men's Health Centre, VIC, Australia Community perspective on HIV and aging	3.30pm - 3.45pm	Larasati A - Lawyer, shadow lawyer, and law student: Working together, erasing stigma	3.30pm - 3.45pm	Sauk J - Intravaginal hygiene and menstrual practices: implications for HIV/STI prevention and future microbicide acceptability in Papua New Guinea	3.30pm - 4.00pm	Mark Feinberg, Vice President, Medical Affairs, Merck Vaccines and Infectious Diseases, United States of America How do natural hosts for AIDS viruses and other zoonotic infections remain healthy?: Implications for the pathogenesis and treatment of HIV infection.	3.30pm - 3.40pm	Brent Allan, Manager, Viral Hepatitis & Sexual Health, Department of Health, Victoria Introduction
3.45pm - 4.00pm	Edwina Wright, Specialist, Alfred Hospital, Burnet Institute and Faculty of Medicine, Nursing and Health Sciences Monash University, VIC, Australia Current scientific research and clinical thinking about ageing and HIV	3.45pm - 4.00pm	Russell J - Transactions of social supports with healthcare providers within the personal networks of women living with HIV in Australia	3.45pm - 4.00pm	MacLaren D & Tommbe R - Researching male circumcision for HIV prevention: Lessons from a pilot study at a university in Papua New Guinea	3.30pm - 4.00pm	Stooù M - The effectiveness of social marketing campaigns in changing HIV/STI-related behaviour among gay men in Australia	3.40pm - 3.55pm	
4.00pm - 4.15pm	Andrew Grulich, Head, HIV Epidemiology And Prevention Program, National Centre in HIV Epidemiology and Clinical Research, NSW, Australia Cancer Prevention in people with HIV	4.00pm - 4.15pm	Choo M - Negotiating positive living: A 10 country study on issues facing HIV-positive MSM in the Asia Pacific	4.00pm - 4.15pm	Kupul M - More than a cut: Acceptability of male circumcision for HIV prevention in Papua New Guinea	4.00pm - 4.15pm	Petravic J - Simian-human immunodeficiency virus is the course set in the acute phase?	3.55pm - 4.10pm	Sepulveda C - Working with sexually adventurous men

4.15pm - 4.30pm	Jenny Hoy, Director Victorian HIV Service Unit, Alfred Hospital, Melbourne, VIC, Australia HIV and Ageing: Should we worry about the bones?	4.15pm - 4.30pm	Adam P - Stigma and subjective norms strongly influence young people's decision to test for STIs including HIV	4.15pm - 4.30pm	Manopaiboon C -Evaluation of a peer outreach program to reduce HIV risks among men who have sex with men (MSM) in Thailand	4.15pm - 4.30pm	McBride K - Majority of HIV DNA in the HIV reservoir located in the non-gut homing resting memory CD4+ Tcell subset	4.10pm - 4.25pm	Pedrana A - Where have all the men gone? Reaching gay men for sexual health promotion via social networking sites with iterative evaluation methods
4.30pm - 4.45pm	Andrew Carr, Head, HIV, Immunology and Infectious Diseases Unit and Head, Clinical Research Program, St Vincent's Hospital, Sydney; St Vincent's Hospital, VIC, Australia Cardiovascular health	4.30pm - 4.45pm	Sandy L - Sex work, HIV interventions and the sexual order in Cambodia	4.30pm - 4.45pm	Januraga P - An increase in HIV prevalence among female sex workers in Bali; an alarming situation for an epidemic to general population	4.30pm - 4.45pm	Affandi J - Can immune-related genotypes illuminate the immunopathogenesis of CMV disease in HIV patients?	4.25pm - 4.40pm	Rogers M - Improving the effectiveness of partnerships for the prevention of blood-borne viruses
4.45pm - 5.00pm	Discussion	4.45pm - 5.00pm	Worth H - Violence and harassment against sex workers in Fiji and the effect on HIV prevention	4.45pm - 5.00pm	Discussion	4.45pm - 5.00pm	Sasson S - Progressive activation of CD127+132- recent thymic emigrants into terminally differentiated CD127-132+ T-cells in HIV-1 infection	4.40pm - 5.00pm	Discussion
TEST and TREAT is an evaluable, applicable and relevant prevention strategy in our region?									
Sponsored by Boehringer Ingelheim and NSW Health. Conference Debate accompanied by drinks and canapes Doltone House, Darling Island Wharf Chair: Professor David Cooper									
5.30pm - 7.30pm	Team One Dr. Calvin Cohen, Research Director, Community Research Initiative of New England and Clinical Instructor, Harvard Medical School, Boston, USA Sean Slavlin, Assistant Director (Research Programs), NAPWA, NSW, Australia Elizabeth Dax, Associate Professor Team Two Alan Whiteside, Director and Professor, Health Economics and HIV/AIDS Research Division (HEARD), University of KwaZulu-Natal, Durban, South Africa Bridget Haire, Senior Policy Analyst, Family Planning NSW and PhD candidate, Centre for Values, Ethics and the Law in Medicine (VELIM), University of Sydney, NSW, Australia Andrew Grulich, Head, HIV Epidemiology and Prevention Program, National Centre in HIV Epidemiology and Clinical Research, NSW, Australia								

FRIDAY 22 OCTOBER	
7.00am	Registration
7.00am - 8.45am	<p>Case Presentation Breakfast; Sponsored by Gilead, Janssen and MSD</p> <p>Bayside Gallery A & B</p> <p>Chairs: Mark Thomas and Mark Boyd</p> <p>Kanhutu K - Castleman's disease in a man with recent HIV seroconversion: treatment with Rituximab</p> <p>Trevillyan J - When one isn't enough: Successful treatment of concurrent HIV and EBV encephalopathy</p> <p>Varma R - Focal segmental glomerulosclerosis in a man with long term non-progressive HIV infection with end stage renal failure: Challenging treatment decisions</p> <p>Bopage R - Unusual fragility fractures in chronic HIV infection</p> <p>Discussion</p>
7.30am - 7.45am	
7.45am - 8.00am	
8.00am - 8.15am	
8.15am - 8.30am	
8.30am - 8.45am	
Challenges for Treatment...Resistance, Resources and the Mind Plenary	
9.00am - 10.30am	<p>Bayside Auditorium A</p> <p>Chairs: Jeff Post and Gary Dowsett</p> <p>Paul Cameron, Clinical Immunologist, Immunology Department, Alfred Hospital and Monash University Immunology Department, VIC, Australia Chemokines and HIV latency in resting T cells</p> <p>Alan Whiteside, Director and Professor, Health Economics and HIV/AIDS Research Division (HEARD), University of KwaZulu-Natal, Durban, South Africa Rolling out ARV in Resource Poor Areas: What are the Real Challenges?</p> <p>Edwina Wright, Specialist, Alfred Hospital, Burnet Institute and Faculty of Medicine, Nursing and Health Sciences Monash University, VIC, Australia. What's on your mind?- HIV and the Brain</p> <p>Morning Tea in Exhibition and Poster Area, Bayside Grand Hall</p>
9.00am - 9.30am	
9.30am - 10.00am	
10.00am - 10.30am	
10.30am - 11.00am	
	<p>SPONSORED SATELLITE SYMPOSIUM by Department of Health and Ageing</p> <p>The Research Policy and Evaluation Working Group of MACBVS: Discussing the application of research to policy and practice</p> <p>Bayside 103</p> <p>Moderator: Carla Treloar</p> <p>Introduction</p> <p>Discussion: How organisations become aware of, access and use research</p> <p>Discussion: What mechanisms would assist organisations in using research more/better</p> <p>Next steps</p>
7.30am - 8.50am	

11.00am - 1.00pm	Australian Antiretroviral Guidelines Session	11.00am - 1.00pm	Theme C: Issues in HIV Prevention in Gay Men 2	11.00am - 1.00pm	Theme D: Social and Cultural Aspects of HIV	11.00am - 1.00pm	Theme A: Translational Research	11.00am - 1.00pm	SPONSORED SATELLITE SYMPOSIUM by Beyond Blue Understanding and responding to alcohol and other drug use in gay men with depression in general practice: A consultation workshop
	Bayside Auditorium A	Bayside Gallery B	Bayside Gallery A	Bayside Gallery A	Bayside 103	Bayside 103	Bayside 104		
	Chairs: Michele Giles & Fraser Drummond	Chairs: Nic Parkhill and Andrew Grulich	Chairs: Heather Worth and Patrick Rawstorne	Chairs: David Anderson and Phillip Cunningham	Chairs: Susan Kippax				
	Eric Daar, Chief, Division of HIV Medicine, Harbor-UCLA Medical Center; Professor, David Geffen School of Medicine, UCLA, Los Angeles, United States of America When to start - Watch out for the pendulum	Down I - What would gay men be prepared to do to reduce rates of HIV?	Sergeant J - A changing epidemic? HIV and Sub-Saharan Africans in Australia	Keane N - HIV-1 adaptation to early HLA-restricted immune responses in acute heterosexual transmission	Deborah Saltman AM, General Practitioner, and Pro-Vice Chancellor, Arts and Sciences at Southern Cross University, NSW, Australia Key findings from the Primary Health Care Project on HIV and Depression	Price P - Plasma levels of IL-18, sCD14 and CCL2, CXCL8 and CXCL10 in tubercular immune restoration disease in a north India population	Dr Christy Newman, Senior Research Fellow at the National Centre in HIV Social Research, NSW, Australia Comparing 'doctor' and 'patient' assumptions about the role of illicit drug use in gay men's depression		
11.00am - 11.30am		11.00am - 11.15am	11.00am - 11.15am	11.00am - 11.15am	11.00am - 11.15am	11.00am - 11.15am	11.00am - 11.15am	11.00am - 11.15am	
	Questions	Bradley J - Rapid HIV testing: What we want, and when we want it	Fu X - Sexual networks and HIV among money boys in Northeast of China	Wilson K - Validation of a rapid testing algorithm for confirming HIV infection in the Pacific region	Millard T - The experience of living with HIV for heterosexual men in Australia				
11.30am - 11.40am		11.30am - 11.45am	11.30am - 11.45am	11.30am - 11.45am	11.30am - 11.45am	11.30am - 11.45am	11.30am - 11.45am	11.30am - 11.45am	

11.40am - 12.10pm	Matthew Law, Head Biostatistics, National Centre in HIV Epidemiology and Clinical Research When to start - Interpreting cohort studies - a guide for the non-expert	11.45am - 12.00pm	Bavinton B - Gay men's community-based HIV prevention peer education - What is the evidence for our work?	11.45am - 12.00pm	Yassmina P - Empowering prisoners in health through complementary approach	11.45am - 12.00pm	Papadakis A - Low HIV viral load results at the time of primary HIV infection are likely to be specific	Joanne Bryant, Research Fellow, National Centre in HIV Social Research, NSW, Australia Is the level of concordance between 'doctor' and 'patient' assessments of depression undermined by gay men's drug and alcohol use?
		12.00pm - 12.15pm	Triffitt K - HIV prevention in 2010: Comparison of two campaigns	12.00pm - 12.15pm	Burdon R - Improving pediatric adherence and retention in HIV care and treatment programs: the Vietnam experience	12.00pm - 12.15pm	Yan C - Dried blood spots represent a convenient alternative specimen to plasma for HIV drug resistance genotyping and subtyping in resource-limited settings	
12.10pm - 12.20pm	Questions	12.15pm - 12.30pm	Zablotska I - Australian gay men never tested for HIV	12.15pm - 12.30pm	Burke J - Swahili concepts: Keys to understanding responses to HIV	12.15pm - 12.30pm	Chibo D - Prevalence of onward transmission and associated transmitted drug resistance in patients with primary HIV infection in Victoria, Australia	12.00pm - 1.00pm
12.20pm - 12.50pm	Eric Daar What to Start - How to refine the choice	12.30pm - 12.45pm	El-Hayek C - Trends in testing and positivity for sexually transmitted infections among men who have sex with men	12.30pm - 12.45pm	Discussion	12.30pm - 12.45pm	Thapa L - Extrapulmonary tuberculosis in HIV/AIDS: fire under the ash	Discussion
12.50pm - 1.00pm	Questions	12.45pm - 1.00pm	Zablotska I - Contemporary trends in HIV related behaviours among gay men in three Australian states; NSW, Victoria and Queensland	12.45pm - 1.00pm	Discussion	12.45pm - 1.00pm	Discussion	

Theme B Oral Posters: Adherence, Workforce and Diagnosis		Theme C Oral Posters: HIV Prevention Issues in the Region			
1.10pm - 1.55pm	<p>Bayside Gallery B Chairs: Stephen Kerr</p> <p>Achhra A - The clinical significance of CD4+ t-cell counts in Asian and Caucasian HIV-infected populations: results from TAHOD and AHOD Schneider K - Economic evaluation of monitoring virologic responses to antiretroviral therapy in HIV-infected children in resource-limited settings Blair D - Expediting in-country HIV confirmatory testing in Pacific Island countries and territories Nguyen D - Building regional capacity for HIV care and treatment through short course training, Australia Aitchison S - Alerting the physician: lipid screening in a HIV population</p>	<p>Bayside 103 Chairs: David Wilson and Mark Stooove</p> <p>Valley A - A longitudinal clinical pilot study among men and women attending a sexual health clinic in Mt Hagen, Papua New Guinea Ryan C - Molecular analysis of HIV-1 subtype C in Papua New Guinea Zhang L - Chinese investment in needle and syringe programs yield substantial health and financial return Zou H - Should internet and voluntary counseling and testing facilitated active HIV testing services for men who have sex with men be scaled up in China? Burke J - Infant feeding networks and HIV prevention in East Africa</p>	Theme C Oral Posters: HIV Prevention Issues in the Region		
1.00pm - 2.00pm	Lunch in Exhibition and Poster Area, Bayside Grand Hall				
2.00pm	Exhibition Closes				
2.00pm - 3.30pm	<p>Theme C Symposium: Health Promotion - Turning Theory Into Practice</p> <p>Bayside Auditorium A Facilitator: Graham Brown</p> <p>Dean Murphy, Education and Health Promotion Officer, Australian Federation of Aids Organisation, NSW, Australia Background research on the development of a national education strategy for gay men on HIV-related stigma and discrimination</p>	<p>Theme B: Treatment and Monitoring - Clinical Studies</p> <p>Bayside Gallery B Chairs: John Chuah and Janaki Amin</p> <p>Kelly M - Antiretroviral therapy intensification with lopinavir or anti-lipopolysaccharide immunoglobulin from hyper-immune bovine colostrum in antiretroviral-treated patients exhibiting a suboptimal CD4+T-cell response: The Coral Study</p>	<p>Theme B: HIV in Diverse Populations</p> <p>Bayside Gallery A Chairs: Rob Lake and Jeanne Ellard</p> <p>Craig L - Crock L - Beyond the grim reaper preparing aged care services for people living with HIV</p>	<p>Theme D: IDU, Risk and Harm Reduction in Indonesia</p> <p>Bayside 103 Chairs: Edward Reis and Kemal Siregar</p> <p>Subronto Y - IDU service and utilities among women injecting drug users in 3 cities in Yogyakarta and central Java province</p>	<p>SPONSORED SATELLITE SYMPOSIUM by ASHM and the HIV Consortium Supported by AusAID Addressing the Needs and Exploring the Responses of Affected Communities to HIV in PNG and the Pacific.</p> <p>Bayside Auditorium A Chairs: Jason Mitchell and John Millan</p> <p>Sauk J - Addressing the needs of most-at-risk populations in the HIV epidemic in Papua New Guinea</p>
2.00pm - 2.15pm	<p>2.00pm - 3.30pm</p>	<p>2.00pm - 3.30pm</p>	<p>2.00pm - 3.30pm</p>	<p>2.00pm - 3.30pm</p>	

2.15pm - 2.30pm	Colin Batrouney, Manager, Health Promotion, Victorian AIDS Council/Gay Men's Health Centre, VIC, Australia From intervention to engagement: How do we make health promotion relevant to gay men?	2.15pm - 2.30pm	Kariminia A - Survival of HIV-infected children: A cohort study from the Asia- Pacific region	2.15pm - 2.30pm	Fitzgerald L - Social isolation for people living with HIV/ AIDS in South East Queensland: Determinants and consequences	2.15pm - 2.30pm	Hartanti A - Mentoring : A way to accelerate HIV harm reduction response for prisoners in Java and Bali, Indonesia	2.15pm - 2.30pm	Lahui D - Friends Frangipani: The sex worker response to HIV in Papua New Guinea
