Retrospective

# Key figures

Over the last six editions, the UROP congress has gathered **key opinion leaders** in Onco-Urology and Robotic Surgery from all over **Europe and the world** in a one-of-a-kind event in Europe.

The successful two-day format of the UROP congress has enabled, throughout the years, the **exchange of experts, practitioners and industry** companies over a common goal: to reflect, consolidate and diffuse, together, the place of robotic surgery in urology.

## KEY FIGURES
