WHAT DOES **ABB** DO?

A multi-carrier digital selling platform

HIGH LEVEL OVERVIEW CONNECTIONS

WHAT PEOPLE ARE SAYING

You have developed the Silver Can Opener – finally a way to change airline distribution.

SVP
DISTRIBUTION
US AIRLINE

ABB is a creative, empowering, and liberating solution... enables airlines to be more compelling competitors, better serve their travelers, and improve both their top-line revenues and bottom-line profits.

ABB also incorporates a 21st Century awareness of the more flexible processes airlines need to be more responsive, market-focused enterprises.
