Complete session summary (required)

It is important to refer to the scoring guide (available at na.eventscloud.com/25plccfp) and the Continuous Improvement System (see image below) to create a document that **fully outlines** your proposed session. Include information on the following subjects:

- 1) The impact of the project/activity/program on student learning, along with relevant data and compelling anecdotal information (including how long it has been implemented)
- 2) To what degree the project/activity/program is replicable and for which grade levels
- 3) How you will engage attendees during your breakout session

Feel free to share additional information with the reviewers. **This complete session summary will be used to determine whether your proposal is selected for the 2025 Powerful Learning Conference.**

You will have the opportunity to upload your complete session summary as a separate file during the online submission process. Files can be in the .doc, .xls, .pdf, .txt, .csv, .jpg, or .gif format; do not exceed 10 MB or include any special characters in the file name. **Please prepare this file before beginning the online submission process.**

When you are finished, save this PDF for your reference. To go through the full online submission process, please visit na.eventscloud.com/25plccfp. Use this document to help fill out the call for proposal section. **To ensure you do not lose your progress during the online submission process, please have everything prepared before you begin.**
