

The meeting will take place at the University of Helsinki city centre campus area. The venue is located in the heart of Helsinki, within a walking distance of the central railway station (500 m) and most hotels. The metro station “Helsingin yliopisto” is right next to the university.

The newly opened *Tiedekulma* (Think Corner)—a place to make research known for the wider public—will function as the venue for some programs. Inside *Tiedekulma* there are also several open working areas that may be freely used and a coffee house which also serves lunch.
