## **Beyeler Foundation Museum**

You will depart from the Basel Congress Centre by coach, for the short transfer to the Beyeler Foundation Museum. Art dealers, Ernst and Hildy Beyeler, gathered a unique collection of classical, modern and original art, and architect Renzo Piano designed a spectacular museum building to house this impressive collection. The tour will introduce you to the amazing collection and give you an opportunity to spend time appreciating the architecture of the museum itself, as well as viewing the ever-changing temporary exhibitions.
